BORN.

OGREN.—To Mr. and Mrs. Warner Ogren Thursday, August 1, a nine-pound son. Mother and child are doing nicely. Mr. Ogren is now in Curry County on a hunting trip and Mrs. Ogren says she has captured a deer that is far superior to any deer that Mr. Ogren will be able to bag.

Is Very Ill.—Mrs. Cates, wife of the filer at Smith-Powers camp No. 6, was brought to Mercy Hospital today by the launch Cooston. She is very ill of neuralgia of the heart.

Open Coal Mine.—J. A. Ward came in today from Millco on business. He reports that he and the Smith boys will begin taking out coal for the local market next Monday. They have everything ready and the Millco mine will soon be producing in good shape, the coal being of even a better grade than was expected.

Buys Saloon.—W. J. Borres today concluded negotiations for the purchase of A. B. Smith's half interest in the Nutwood saloon. W. J. Borres owns the other half interest. Mr. Borres recently came here from Santa Rosa, Cal., where a dry wave forced him out of business with 62 other liquor dealers. Mr. Smith expects to take a vacation for a time.

Auto to Roseburg.—The following passengers left this morning for

Roseburg on the Marshfield-Roseburg auto line. The increase in traffic necessitated adding another automobile today. Those going were: Optimo Watson, Mr. and Mrs. L. R. Dean and baby, H. J. Josue, C. R. Davis, B. K. Behnke, Henry M. Marsh, J. J. Barrett, E. T. Jones, M. L. Nelson, C. Branch.

Start Timberwork.—Hugh McLain started a force of men on the timber work on the North Front street extension of the Terminal line today.

First Apples.—Matt Jutstrom today brought down a shipment of apples from the old Beale ranch on Coos River, the first local apples on the market this year.

Have Smallpox.—The Johnson family on South Fourth street, near Hall avenue, was quarantined for smallpox today. It seems that they contracted the disease at North Bend.

Quarantine Removed.—The smallpox quarantine was removed from the J. B. Macatee home in the Rood apartments on Highland avenue yesterday, Mr. Macatee having fully recovered.

Cars Smashed.—W. B. Cox who returned today from a visit with his son, A. C. Cox, on South Inlet reports that there was quite a wreck on the Smith-Powers logging road, a new engineer letting six cars drop down and pile in a heap, smashing some of them to kindling wood, almost. No one was hurt.

At Masonic Next Week.—The Manion-Claman Players will present a series of popular plays at the Masonic Opera House next week, opening Monday night. Manager Claman has arrived from Eureka to make arrangements for the appearance of his company which will be on a new plan in connection with business houses of the city.

Bronaugh Delayed.—The stories afloat here yesterday about Judge Bronaugh having returned to Portland last Sunday were evidently unfounded, as Fred Hollister received a message from Judge Hammond stating that Judge Bronaugh was due in Portland last night. Nothing new has developed in the Kinney affair today. It was rumored that Frank B. Waite was figuring on taking over the whole Kinney property, but no one on the Bay seems to have any substantiation of the story.

Three Fined.—Recorder Butler yesterday afternoon fined Bill Evans, Martha Evans and John Wasson \$5 apiece for being drunk and disorderly. Martha Evans reiterated her claim that John Wasson had taken \$130 from her but was informed that if she had charges of this kind she had better refer them to Deputy District Attorney Liljeqvist. Bill Evans is arranging to return to his home in California, having been here on matters connected with the estate of his father, Jake Evans who was mysteriously slain in his ranch home on South Slough a year or so ago.

It was reported that Throne had taken the Friedmann cure for tuberculosis, but that it did no good. Throne is well known on the Bay, having spent several years here. He is interested in the Crawford Point Townsite Company near Cooston.

M. E. Everitt is consolidating the North Bend Drug Company with his drug store in the latter's location and Shrock's saloon will occupy the location of the former.

M. E. Everitt has started the excavation for the new residence which F. E. Conway will build for him in Porter Addition. Warren Painter is also excavating for a new house, which Conway will build for him near the C. S. Winsor home on Sherman avenue.

The Fourth of July committee reports that they expended \$1376.22 for general expenses and \$254.90 for lighting during the celebration here.
