DO YOU KNOW? that the finest and most expensive bristles come from Siberia? Do you know that the best hair brushes are all made from these Siberian bristles? Do you know that the ordinary hair brush contains very few bristles at all, but is made largely of split turkey quills and hemp fibres? We have a large stock of genuine Siberian bristle brushes, the kind that will last a life time. Come in and let us show you the difference between a good hair brush and the ordinary kind.
