# Women's Fall Suits and Coats

## In Greatest Variety

NOTED FOR INDIVIDUALITY!

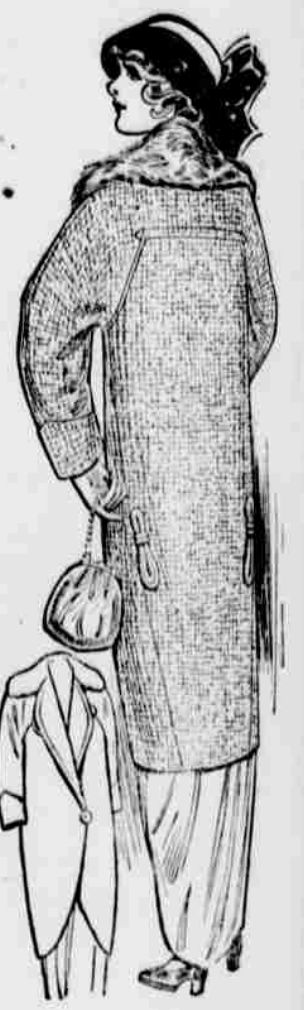

\$12.50 to \$52.50

THIS IS an invitation for you to share in the very best offering of women's suits and coats ever brought forward in October. Although these suits are very unusual values, it is especially for the smartness and originality of the styles that we commend them to you.

In this collection are shown the fashionably elect of all the fall and winter styles—those models which are instantly recognized by fashion critics. Richness of material is their most notable quality. Many of the materials now in stock are rapidly disappearing from the market.

Suit jackets are in the new style blouse effects and cutaways, trimmed with silk, braid ornaments, tassels, fancy buttons, etc.; new draped skirts with a fullness through the hips are shown in some of the most becoming models. The colors include all the fashionable new shades for fall and winter—mahogany, new shades of blue, brown, taupe, etc.

The new coats are shown in hand-loom fabrics of Panné Plush, English Tweeds, Irish Fleeces, Broadtail fabrics, Brocades, Zibelines, Boucles and other soft materials, warm without weight and everyone smart as well as practical.
