

## MYRTLE POINT WOMAN CHOSEN

Mrs. Mable Roberts, Grand Chief of Pythian Sisters—K. of P. Meet.

PORTLAND, Or., Oct. 18.—New officers for the ensuing year were elected by the Pythian Sisters' Convention. The organization is the woman's auxiliary of the Knights of Pythias and is represented by 38 delegates from various parts of the state. The following officers were elected: Past Chief, Hannah Vincent of St. Johns, Or.; Grand Chief, Mable Roberts, of Myrtle Point; Grand Senior, Mary Littlefield, of Portland; Grand Junior, Nellie S. Vernon, of Astoria; Grand Manager, Erma Snider, of Aurora; Grand Mistress of Records and Correspondence, Mary R. Hogue, of Klamath Falls; Mistress of Finance, Edith E. Clark, of Rainier; Grand Protector, Minnie Vinton, of McMinnville; Grand Guard of the Outer Temple, Opal M. Fox, of Portland; Grand Representative, Laura M. Hooghkirk, of Rainier; Grand Alternates, Elizabeth Dunning, of Portland; and Margaret Slocum, of Union, Or.

Knights of Pythias. Oregon Pythians are opposed to the reduction of the age limit for members from 21 to 18 years, the Grand Lodge in its 32nd annual convention voting against the proposition after an extended discussion. This important change has been before the Supreme Lodge for some time, but it was decided to ask for an expression from the grand lodges of the 55 domains, and the adverse recommendation was adopted when the resolution was reached.

Some discussion was had relative to the establishment of a fraternal home, but this plan, together with a new scheme for representation at district conventions, was referred to committees.

Gus C. Moser, Past Grand Chancellor, stirred up the grand lodge so with his address of welcome yesterday that the delegates turned right around and selected him as the supreme representative for the four-year period. M. F. Davis, of Union, is the holdover supreme representative, and these two will lead in the effort to get the convention for Portland in 1916, when the session is held at Winnemac next August. The annual election of officers for the coming year resulted as follows: Grand Chancellor, Frank S. Grant, of Portland; Grand Vice Chancellor, A. E. Wrightman, of Silverton; Grand Prelate, Fred P. Holm, of Portland; Grand Keeper of Records and Seal, L. R. Stinson, of Salem; who has held this position for the last eighteen years; Grand Master of Exchequer, J. W. Maloney, of Pendleton; Grand Master at Arms, C. A. Lawton, Fort Stevens; Grand Inner Guard, George Hoeye, of Oregon City; Grand Outer Guard, Jesse Spencer, of Corvallis; Grand trustees, J. H. Gwinn, of Pendleton; George W. Jett, of Baker, and F. T. Wrightman, of Salem; Grand Tribunes, Grant B. Dimick, of Oregon City, as Chief Tribune; Willard L. Marks, of Albany, Tribune. A second Tribune will be selected before the convention adjourns. The Grand Tribunal will then meet and elect a Grand Recorder.

One of the most impressive scenes of the convention followed the selection of L. R. Stinson as the Oregon delegate to attend the Golden Jubilee at Washington, next February 19, when the Pythian Order will celebrate its 50th anniversary.

## EARTHQUAKE IN NICARAGUA

Population Deserts Houses for Open Spaces—Volcano Responsible.

(By Associated Press to Coos Bay Times.) SAN JUAN DEL SUR, Nicaragua, Oct. 18.—A violent earthquake shock was felt in the cities of Managua, Masaya and Granada yesterday. The alarmed population deserted their houses for the open spaces. One building collapsed near Granada. The earth tremors are coincident with the activity of the volcano Santiago.

## COAST LEAGUE BALL SCORES

PORTLAND DEFEATED 12 TO 6, ALTHOUGH SHE GOT 17 HITS AGAINST LOS ANGELES' 12—VENICE LOSES GAME.

(By Associated Press to Coos Bay Times.)

Portland	12	6
Los Angeles	6	12

PORTLAND, Or., Oct. 18.—Portland lost to Venice yesterday 12 to 6. The scores:

At Oakland—	R.	H.	E.
San Francisco	0	3	0
Oakland	2	10	1
At Sacramento—	R.	H.	E.
Venice	6	11	1
Sacramento	7	14	0
At Los Angeles—	R.	H.	E.
Portland	6	17	5
Los Angeles	12	12	0

**SOME BALL GAME.** The several members of the family had been telling what they would do if they owned the world. Mother would abolish poverty. Father would provide absolute justice for all. Sister Sarah would give every woman the vote.

Finally the views of 10-year-old Johnny were sought. "What 'ud I do if I owned the world?" said he, looking up from a geography he had been studying. "Well, I'll tell you what I'd do. First I'd get old Atlas to sign up two baseball teams among his brothers and cousins; then I'd lay out a diamond on the Desert of Sahara, put the Rocky Mountains around it for a fence, give the players the moon for a ball and the North Pole for a bat, and, say, maybe I would sit on top of Pike's Peak and see some ball game!"

## DUKE OUT ON \$5,000 BAIL

Victim of Chauffeur Dies Today—Third Victim Is Improving.

(By Associated Press to Coos Bay Times.) SEATTLE, Oct. 18.—Thomas Simmons, who was hurt when the automobile driven by Lawrence Duke collided with another car, killing Henry Farr, is dead, and Alfred Hoglund, the third victim, is improving. The inquest into the two deaths was held yesterday afternoon. Duke was released on \$5,000 bail.

## CHINESE KILL 300 CHRISTIANS

(By Associated Press to Coos Bay Times.) PEKING, Oct. 18.—A force of Chinese brigands murdered 300 and burned two mission churches of the American Missionary Societies in the Province of Fokien yesterday. The American missionaries from the disturbed district are in Fuchow, where they took refuge. The Chinese government troops have not shown much activity.

## MAN ADMITS KILLING WIFE

(By Associated Press to Coos Bay Times.) CHICAGO, Oct. 18.—At the inquest held yesterday William Ellis confessed he had murdered his wife. He said she was "the most virtuous woman in the world, but had just been crazy over ill health and business troubles."

## Automobiles Are Changing Fashions

People are just beginning to realize it. Manufacturers and merchants saw the trend of things long ago and began to plan accordingly. Today, for instance, more soft hats for men are sold than ever before, because a soft hat is adaptable for use either on the street or in the motor. To be up to date one must be posted on what the stores are showing. They are barometers of the times. They must be alert to live. There is no place for the laggard except the business boneyard. Through the advertising columns of daily newspapers like THE TIMES you can keep posted on what is going on. The merchants are not secretive. They need your support to grow. They try to provide the things you want. They use the newspapers to keep you informed. Their advertising pays them only when it serves you. That's why you should read advertising—so that you can reap the full harvest of service.

## MYRTLE POINT WOMAN LUCKY

MRS. E. P. ADAMS INFORMED THAT HER SHARE OF OLD PHILADELPHIA ESTATE IS \$1,000,000—MARSHFIELD MAN STARTS MEAT MARKET.

(Special to The Times.) MYRTLE POINT, Or., Oct. 18.—Mrs. E. P. Adams has been informed by her father, Capt. Walters, of Los Angeles, that his family is heir to \$1,000,000, consisting of an estate in Philadelphia. Mrs. Adams's share will be upwards of \$1,000,000. Judge Enos Rose and wife leave Saturday by auto for Roseburg on their way to Needles, California, to spend the winter. Mrs. Rose accompanies him. She has lived there the last two winters.

Mr. and Mrs. W. R. Swengle, of Idaho, came to spend the winter with Prof. Parke and wife. They are the parents of Mrs. Parke.

Mrs. A. T. Train went over to Marshfield Friday to visit with friends and transact business.

The railroad people are doing all they know to push the new Smith-Powers line to tall timber, so they may get logs for the C. A. Smith mill at Marshfield.

Mr. C. J. Eddy, of Kansas, is here, satisfied and determined to make this his permanent home.

It is a common thing now to see a lineup of Greeks and other foreigners at the bank with their checks.

**New Meat Market.** A new butcher shop will open here next week. Frank Davis, of Marshfield, will be the man at the block. Myrtle Point always has plenty of meat, but is always short on fish.

The State Bank Examiners made their semi-annual visit Wednesday and left on Thursday.

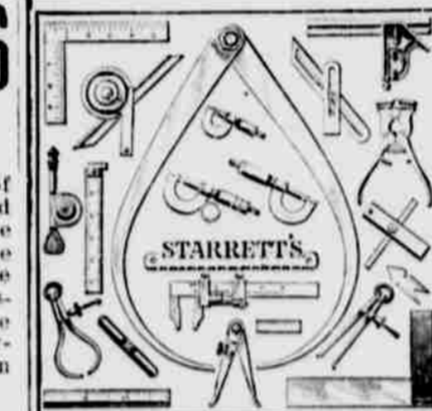

Mr. Marster, of Portland, came in Monday with Mrs. Marster, and was so well pleased with our outlook that he rented the Endicott place one mile east of town. He says he will later buy and make this his permanent home.

J. L. Lewellin's new bungalows were quickly grabbed. M. McDonald of Coquille getting the last one. More houses are needed here.

WITH NOTHING TO MAR THEIR CHARMING SIMPLICITY

Nothing is quite as dear to the heart of woman as the dainty negligee into which she slips with such a feeling of luxury in the seclusion of her own room. She may revel in its supple fabric, its soft colorings and the grace of its frills and flourishes with never a misgiving as to its suitability, for it is the one garment that may be as plain or as fussy as the fancy desires without losing its charm. Printed silks or cotton crepes with quaint, impossible flowers or old-fashioned looking designs sprinkled to neglect, and there are admirably suited to negligees, and the plain crepes and mulles are dainty, too, offering possibilities for frills and flourishes galore. 7057 is a pretty empire model, depending upon graceful lines and the oddly patterned material for effect, rather than more elaborate trimmings. The lace butterfly across the front is one of those attractive trifles, quickly and easily made, that do so much to make a garment distinctive. To make this model in size 36 it requires 4 1/2 yards of 36 inch material. No. 7941 is a design that, made up in a softly tinted albatross or eiderdown trimmed with tiny frills of net or ribbon and sashed in a vivid Futurist silk, would bring joy to the boarding school girl. It would also be pretty in a silk or crepe. Three and three-quarter yards of 36 inch material is needed to copy 7941 in size 10.

To obtain either pattern illustrated fill out this coupon and inclose 15 cents in stamps or coin. Be sure to state number of pattern and size, measuring over the fullest part of the bust for dimensions. Address Pattern Department.

## Look Back a Month Ahead a Year

LOOK backward one month and recall how your money went. Was every cent wisely spent? Would the little fragments of fortune, tossed after trifles, total a dollar, or two, or five? Which would you rather have now, the trifles you bought, or the coin you paid for them? Now look ahead a year: Will your present habits cause a repetition of last month's spending, until the year is gone? Today's history is part of your life history. What fortune are you building? To what extent is a bank account shaping your future?
