When you come to the Rexall Store you will get what you ask for unless it happens to be out of our stock—in our complete stocks a very rare occurrence. So carefully do we conserve your best interests that frequently our clerks may suggest something which they know or believe to be better for the purpose than the article called for. Transactions of this kind in our store occur every day and invariably our customers have thanked us for taking such a keen interest in their personal needs. Such frank, honest advice will be cheerfully given regarding anything we sell. You owe it to yourself and your family to patronize a store which serves its customers with such care and such honest merchandise as does the

Don't hunt after trouble, but look for success; You will find what you look for, don't look for distress. If you see but your shadow, remember, I pray. That the sun is still shining, but you're in the way. Don't grumble, don't bluster, don't dream and don't shirk; Don't think of your worries, but think of your work. The worries will vanish, the work will be done. No man sees his shadow who faces the sun. —Selected.

Choir Rehearsal.—The Senior Choir of the Marshfield Episcopal Church will meet tonight for the regular rehearsal.

Ballasting Trains Near Nott.—Willamette-Pacific ballast trains, which are hauling gravel from Naton to the Willamette-Pacific line west of Eugene, have reached a point 16 miles west with the first lift.—Eugene Register.

Votes Costly.—John Bastendorf, of South Inlet, who took the election returns of that precinct to Coquille reports that votes are expensive in that precinct. Only three votes were cast, although there were four election officials and this will make each vote cost the County about \$10 apiece.

Bowling Contests.—The Fixup bowling team, under the leadership of Dr. Morrow, defeated the Forest aggregation at the Chatterton bowling alley last evening. The score was 1410 and 1210, respectively in favor of the Fixup team. The finals of the series will be bowled off between the Good Candy and the Preferred Stock teams on Friday evening.

Want Ad a Money Maker.—J. M. Nye, the well known traveling man, better known as "Bill" Nye and who does his traveling in an automobile, recently lost his wheel chains and new inner tubes for his tires. He placed a small ad in The Times and soon recovered his lost articles from the parties who found them and read the lost adv. in The Times. The adv. cost only 50 cents and the re-

covered articles are worth \$20.00. Times Want adv. pay.
Brings Workmen.—The Redondo yesterday brought in twenty-six workmen for Willett & Burr and the Breakwater brought in twenty. P. L. Burr also came in and reports that laborers are very plentiful in California now.
Plan Reception.—The Millfoma Club is arranging to give a big reception to Major Morrow and the Captain and officers of the Dredge Mielie when it arrives here. While no definite date is given, it is expected that it will be here within a week or so.
Former Resident.—Bob McLain, who is putting on a clever Scotch song and dance act at the Royal this week, is a former Beaver Hill miner. His right name is Bob M. Ballentyne and he is a native born Scot. J. B. Sneddon and Will Sneddon, formerly worked in the mine with him. He has been east and went on the stage a couple of years ago.
Like Jennings.—Mr. R. M. Jennings will leave immediately for Marshfield, where he will occupy the same position he held before coming to Eugene over two years ago. He came two years ago in December, and has directed the work of extensive improvements and additions to the holdings of his company. He has resided at 745 Pearl street, and has a large coterie of friends in Eugene. A. K. Norman, of Chicago, will succeed him here.—Eugene Register.

Want Ad Brings Happiness.—That The Times want adv. are a factor in human happiness, as well as in business, was proven when a small, three-line announcement in yesterday's Times found the lost terrier pet dog belonging to little Edward Labowitch, the nine-year-old son of Mr. and Mrs. A. E. Labowitch, of The Fair Store. The dog disappeared some time ago and little Edward has been disconsolate ever since. Wednesday night during the storm the little lad wept when he thought that his pet might be out in the storm. Yesterday a small want adv. was placed exclusively in The Times and this morning a lady from North Bend brought the missing dog to The Fair store, and little Edward is overjoyed in finding his pet. The Times want ads. got results because everybody on Coos Bay reads The Times.

TIME SAVERS

Questions and Answers

QUESTION—After you buy your Bicycle—THEN WHAT?
ANSWER—Then comes SERVICE, if you buy a TIME-SAVER or a DAYTON BICYCLE.

We ask you to let us look your wheel over occasionally and make any necessary adjustments, free of charge.

Have you ever watched the bicycle riders coming home from the Smith mill?

Just count the wheels some time, and remember, almost two-thirds are TIME SAVERS or DAYTONS.

There are many still walking who could save time on a TIME SAVER.

Count the bicycles as they go by, and think about it. Ask those who ride DAYTONS or TIME SAVERS about our business methods.
