SAYS DEBATE WILL BE SIMPLY A FARCE

Measure Has Been Passed Elsewhere, He Says. Before Coming Before Senate.

(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., Dec. 4.—Charges by Senator Cummins that the Democrats had approached "dangerously near a conspiracy against the rights of all the people" in taking caucus action on the currency bill, marked the opening of today's session of the Senate.

"This bill has been considered elsewhere and passed elsewhere," he said. "There will be no real debate in this chamber. It will simply be a farce, hesitate to participate in it, for I do not want to give it, before the country, the color of an actual deliberation. I cannot believe that the American people will for long tolerate this legislation by caucus."

(By Associated Press to Coos Bay Times.)

MEXICO CITY, Dec. 4.—H. S. Kidder, sales agent for the Waters-Pierce Company, was released on a bond of \$2500 at San Luis Potosi today after trial by the federal authorities on the charge of sedition. Apparently the only evidence against Kidder was that while on a train he lied with the trainmen regarding conditions and looked through field glasses at the landscape.

Only a vague impression of the contents of President Wilson's message was published in the newspapers today. The general conclusion was that President Wilson intended keeping his hands off and leaving Huerta to the mercy of his enemies. This was satisfactory to the administration. The fact that no recognition is accorded the rebels in the message seemed to be a great relief to the followers of Huerta.
