NEWS OF BANDON

(Special to The Times.)

BANDON, Oregon, January 14.—
The basketball team of the River-
ton high school is extremely anxious
to meet the Coquille high school ag-
gregation. Some time has elapsed
since they have written the Coquille
team asking for a game, but they
have received no response as yet.
The lineup of the River-ton team this
season is as follows: Harry Hutch-
inson, "Bob" Harrison, Omer Harrison,
Herschel Robertson and Francis
Lloyd.

Capt. Willard, Pioneer.

In the passing of a birthday a few
days since, Captain Omer Willard,
captain of the "Charm," one of the
speed boats on the Coquille River,
marked the period of his forty-first
year on the river. The captain has
many interesting stories to tell of
the development of the river coun-
try and he is considered the pioneer
boatman of Coos county, having piloted
twenty-four different crafts in his
career.

Builds River-ton Home.

C. A. Peterson, manager of the
mine at River-ton, has just completed
the erection of a new \$2000 home at
River-ton. Mrs. Peterson and the
children have been living at Bandon
since their home was destroyed by
fire last summer and the completion
of this elegant new home at River-ton
marks a new era of solid comfort
for Mr. and Mrs. Peterson.

Expect Dairy Cattle.

With the assistance of J. L. Kron-
enberg of the Bank of Bandon, the
dairymen of Bandon and the Coquille
River have been able to secure forty
head of thoroughbred cattle. The
new stock, which is expected to ar-
rive at Bandon shortly, is considered
the most extensive shipment of thor-
oughbred cattle ever brought to
Coos county. The value of each
head being in excess of \$400 and
some of the bulls costing \$550. The
shipment was made from New York
to San Francisco by rail and from
the California metropolis to Bandon
by water. The cost of shipping these
cattle is about \$800, the total ship-
ment representing \$50,000. This
marks a new era in the dairy industry
on the Coquille River and the pro-
moters of this movement are cer-
tainly deserving of praise for their
efforts in the advancement of the in-
dustry in Coos county.

THE DREAM OF A DREAM.

With the dream of a dream in the shadows
Winter is with me once more;
The cold wind is shakin' the windows and clinkin' the latch on the door
The stars have been blown from the gray sky, and lonesome is fallin'
the snow;
The winters are colder and darker than they were in the far long ago.

Sittin' alone, in the firelight, pictures of places of old
Come to me still in their beauty; a dream-face, with tresses of gold.
And eyes like the blue o' the heavens, or violets rimmed with the dew—
And the fire still sings in its singing: Your sweetheart is looking at
you!

For we're never too old for the love-dreams; though the locks on our
temples fall gray,
Our sweethearts are ever our sweethearts; the heart's where the dreams
love to stay;

I know that the room holds a Presence from days ever deathless and
bright,
Wreathed with rare roses of Youthtime and beautiful hills of light.

Sittin' alone in the firelight, I live in the grace of a day
When Love came in meadows of Morning and kissed all Life's sorrows
away.
O wind of the wearisome winter, still toss to my desolate breast
The gold of her beautiful tresses, and sing me Life's love song of rest.
—F. L. Stanton.

ALLIANCE HAS
FAIR PASSAGE

Steamer From Portland Brings
Heavy Cargo of General
Merchandise

Bringing a heavy cargo of gen-
eral merchandise, principally for
North Bend and Marshfield mer-
chants, the steamer Alliance, Cap-
tain Lofstedt, passed in over the
Coos Bay bar this morning at 2:30
o'clock and moved up to the dock
at North Bend, where she lay until
daylight.

On discharging some of her pas-
sengers and freight from Portland,
she shifted to her dock in Marsh-
field and will sail from here for
Eureka at 12:30 o'clock tomorrow
afternoon.
The Alliance was not delayed
either at the Columbia or Coos Bay
bars, and beyond having to buck
a heavy southerly wind and head
seas, enjoyed a fair passage down.
The following passengers disem-
barked at this point: A. E. Howe,
W. N. Monroe, E. R. Heasler, Mrs.
E. R. Heasler, Mrs. Mary Tulley,
H. P. Osborn, W. E. Hall, J. M. Sel-
by, Q. Doran, Tom Luth, H. C.
Sappincher, E. James, R. C. Block-
stead and J. Emblin.

HEARING ARRANGED.

(The Associated Press to Coos Bay Times.)
WASHINGTON, D. C., Jan. 15.—
After a conference with the Pres-
ident Senator Owen said today that
the hearings on the bills for regulat-
ing stock exchanges would be begun
on February 4.

"We wish to make it clear," said
the Senator, "that we will not ap-
proach the subject in the spirit of
friendliness and we desire merely to
correct stock exchange abuses by
prohibiting the use of the mail or tele-
graph for the use of fraudulent trans-
actions."

EIGHT FORDS
FOR GOODRUM

SIX MACHINES OUT OF BIG SHIP-
MENT FOR IMMEDIATE DELIV-
ERY—ANOTHER CARLOAD COM-
ING—ELECTRIC LIGHTS AND
STARTERS FOR FORDS.

The Breakwater today brought in
eight Ford touring cars for George
Goodrum.

Six of the eight are for immediate
delivery and the other two are in
prospect of going very soon.

Mr. Goodrum had anticipated the
rapid sale and has another carload
of Fords being shipped from Detroit
now so they will be here within a few
weeks.

The sale of this number of machi-
nes at this season of the year is little
short of remarkable and shows the
great popularity of the Ford. Janu-
ary is usually the quiet month in
the auto trade in Coos county but it
promises to be a record breaker for
Goodrum.

Really there isn't any reason for
delaying the purchase of a car if you
plan to have one this season, because
there are many times you can use and
enjoy it during the winter months.

The Ford is selling at only \$650
'aid down in Marshfield and the new
1914 machine is a marvel.

Mr. Goodrum is just completing ar-
rangements whereby he can equip any
Ford with an electric starter and el-
ectric lights for \$100 extra. Last
season's cars, as well as the new ones,
can be equipped with it.

"The people of Coos county certainly
appreciate the Ford and the ser-
vice we are endeavoring to give
them," said Mr. Goodrum today.
"You can't beat the Ford and our
service department will be even bet-
ter than last season."

MEAT CAUSE OF
KIDNEY TROUBLE

Take a Glass of Salts if Your Back
Hurts or Bladder Bothers—Meat
Forms Uric Acid.

If you must have your meat every
day, eat it, but flush your kidneys
with salts occasionally, says a noted
authority who tells us that meat
forms uric acid which almost paraly-
zes the kidneys in their efforts to
expel it from the blood. They become
sluggish and weaken, then you suffer
with a dull misery in the kidney
region, sharp pains in the back or
stomach, headache, dizziness, your stom-
ach sour, tongue is coated and when
the weather is bad you have rheu-
matic twinges. The urine gets
cloudy, full of sediment, the chan-
nels often get sore and irritated, ob-
liging you to seek relief two or three
times during the night.

To neutralize these irritating acids,
to cleanse the kidneys and flush off
the body's urinous waste get four
ounces of Jad's Salts from any phar-
macy here; take a tablespoonful in
a glass of water before breakfast
for a few days and your kidneys will
be as fine. This famous salt is
made from the acid of grapes and
lemon juice, combined with lithia,
and has been used for generations
to flush and stimulate sluggish kid-
neys, also to neutralize the acids in
urine, so it no longer irritates, thus
ending bladder weakness.

Jad Salts is inexpensive, cannot
harm, and makes a delightful ef-
ervescent lithia-water drink.

GRAND PIANO
IS SOLD TODAY

PROF. A. RICHARDS PURCHASES
FINE INSTRUMENT FROM MAN-
AGER THOMAS OF WILEY B.
ALLEN CO.—PRAISES PACKARD.

Prof. A. Richards is the proud own-
er of a new Packard Grand piano,
having purchased it today of L. L.
Thomas of the Wiley B. Allen Co.
Mr. Thomas feels highly flattered
over having sold Mr. Richards the
fine instrument, owing to the fact
that he had studied music in New
York City for twelve years in New
York Conservatory and under the
great Swedish pianist, Carl Christen-
sen. Mr. Richards had tried many
pianos and in speaking of the Pack-
ard stated he preferred it to other
makes as it was a great piano to
sing with and has a wonderful re-
sponsive action. The new piano is for
use in Mr. Richards studio in Marsh-
field.

HEARING ON COQUILLE

WASHINGTON, D. C., Jan. 15.—
The board of engineers for rivers
and harbors has invited all persons
interested in the improvement of
the Coquille River between Coquille
and Myrtle Point, to submit before
February 2, statements and argu-
ments bearing upon the necessity
for the improvement in the interests
of commerce and navigation. Should
a hearing before the board be de-
sired it can be arranged. The en-
gineers reported adversely on the
project last week.

NEW FIRM IS
FORMED TODAY

E. W. HARMON AND H. H. GAUNT
UNITE IN TAILORING BUSINESS
AND WILL CONDUCT FINE SHOP
IN MARSHFIELD.

W. E. Harmon, of the Harmon
Tailoring company, and H. H. Gaunt,
who recently purchased the Marsh-
field Cleaning & Dye Works, today
formed a partnership to make a spe-
cialty of tailoring. They will occupy
the old quarters on Front street, op-
posite the Orpheum theater.

Mr. Harmon is well known here,
having been engaged in the made-to-
order business for some years, and
established a good business through-
out this section. Under the new ar-
rangement he will be able to give
even better service in this line.

Mr. Gaunt recently came to Coos
Bay, but he is an old friend of Mr.
Harmon. Mr. Harmon says that he
is an expert tailor of years' experience
in both men's and ladies' tailoring.

They will be prepared to do cut-
ting and fitting here as well as to
handle the made-to-measure orders.
They will continue the big cleaning
and pressing business which they
have established.
