DEATH AT GARDINER.

Raymond R. Nottage Succumbs At Home of Parents.

(Special to The Times.)
 GARDINER, Or., Jan. 31.—Raymond Roland Nottage, son of Mr. and Mrs. Stillman Nottage, died at the home of his parents on Jan. 24th, at the age of eighteen years and twenty-nine days.

The deceased was born at Scottsburg, Oregon, Dec. 26th, 1895. He is survived by his parents, Stillman and Ellen Nottage, also by two brothers, Clarence and Alonzo, and seven sisters, Mrs. E. J. Wylie of Sacramento, Cal., Miss Laura Nottage of Medford, Or., the other sisters being in the surrounding vicinity of Scottsburg, namely, Mrs. Duane Peck, Mrs. P. J. Wesen, Mrs. W. D. Riley, Miss Mildred Nottage and Miss Elsie Nottage. The deceased attended the Scottsburg public school and graduated from there in 1912. He had a large circle of friends, being highly esteemed by both old and young.

The remains were laid to rest in the Scottsburg cemetery at 2 p. m., Sunday afternoon, Jan. 25th. The services were conducted by Rev. S. J. Kester of Gardiner, at the home of Mr. and Mrs. Nottage.

Despite the stormy weather the funeral was largely attended by friends and relatives.
 A young man here is laid at rest, As a God with his image blessed, The friend of man, the friend of truth, The friend of age, the pride of youth, Few hearts like his, with virtue sweet, Has kept its love for God to greet, If there's another world he lives in bliss, If there is none, he made the best of this.

CARD OF THANKS.

We wish to express our sincere thanks to those who were so thoughtful and helpful during our recent bereavement.
 Mr. and Mrs. Stillman Nottage and family.

MYRTLE POINT BAND.

Myrtle Point, Or., Jan. 31.—Editor Coos Bay Times: We notice in your estimable paper of Saturday, Jan. 24, in the column of news from North Bend, a statement that the North Bend High School Band is about to make its public appearance and that it is the only high school band in Southwest Oregon. Now Myrtle Point is about as far west as North Bend, and a little farther south, and moreover can boast of having a high school band which is under the able instruction and direction of Prof. C. A. Davidson, who is also teacher of music in our public schools. The band has made excellent progress since its organization last November and we understand it is soon to appear in a public concert to be given by Prof. Davidson and his pupils. In this program among other numbers will be a clarinet solo, trio for three cornets, tuba solo and clarinet duet, all arranged or composed by Prof. Davidson, besides numbers for two, three and four players on two pianos. All of the above performers are pupils of the Myrtle Point schools, and if the schools of North Bend have anything "over" those of Myrtle Point in a musical way, we wish to know it.

SETTLE AT MYRTLE POINT.

E. L. Decker Returns to Adjust Logging Obligations. (Special to The Times.)

MYRTLE POINT, Or., Jan. 31.—Edmond L. Decker of the firm of Decker & Abraham, who were engaged in logging on the Middle Fork a few years ago, came down from Portland recently for the purpose of settling with several creditors whom they left when they went out of the logging business. S. D. Palford met Decker at Marshfield as attorney for the creditors and all are happier.

When mother starts telling about the handsome and wealthy admirer she had courted her before she met the man she married, father always says: "Well, why in Sam Hill didn't you marry them?" And mother comes right back with: "I wish I knew then what I know now."

LOCAL OVERFLOW.

Brings Large Egg.—Captain Byrd Latta of the launch Express, brought a monster egg to the Chamber of Commerce this morning for exhibition. It was sent down by Hugo Carlson and was laid by one of the latter's Brown Leg hens. The egg measured six inches around the middle section and seven and one-quarter inches around its over all length. It is a "whopper" and is probably the largest egg ever brought to Marshfield.

Plan for Market.—At a meeting of the Coos Bay Farmers Union today, plans for establishing a public market in Marshfield were issued and at the next meeting it is expected that a committee will be appointed to take the matter up with the City Council. Messrs. Burkholder and McIntyre, of Coquille, were present today and made short talks. There was a good attendance and a number of new members were added.

Naval Militiamen Coming.—Dr. E. E. Straw today received word that Capt. Blair and Capt. Gunderson, of the Oregon Naval Militia, would arrive here in a few days to wind up the affairs of the Third and Fourth Divisions of the organization in Coos County. The Naval Militia here has not been active for some time. When they are here, something will be done about the missing guns and other paraphernalia.

Bard is Fined.—Ol Anderson, who at one time served out a sentence in the city jail on bread and water, swore out a complaint against C. W. Bard, proprietor of the rooming house above the Club Clear Store today on the charge of assaulting him. He exhibited a marked eye where he had been walloped. Bard declared the man had roomed at his place, had climbed into bed with his boots and clothing on while drunk, and when spoken to about it had used vile words toward Bard's wife. Bard admitted that he had then "poked" him and would have given him more if his wife had not grabbed him by the collar and pulled him back. Bard was fined \$5 on his admission that he had struck the blow.

MYRTLE POINT LOSES GAMES

Marshfield High School and Independents Take Both Basketball Games

One of the best attended basketball games of the season was played between the Myrtle Point and Marshfield high schools at the Tabernacle last evening. Marshfield carried away all honors, the result being 20 to 14 in favor of the local team.

"Curly" Curtis did more than his part in the second half of the game, demonstrating that he is a real basketball player. The entire Marshfield team played good ball and the game was never lacking in excitement.

The Myrtle Point team did its share toward contributing toward a fast game and at no time did the Marshfield boys have a complete walkaway. The Marshfield roster was in evidence in large numbers and did their share toward encouraging the victors. The lineup of the teams was as follows:

Marshfield	Position	Myrtle Point
Curtis	Forwards	D. Rackleff
Clark	Center	Bartlett
Seaman	Center	Miller
McDonald	Guards	Dement
Hunter	Guards	L. Rackleff

Spine played for Dement in the first half, as did Chapman for McDonald. Filled baskets were made by: Curtis 5, Clarke 2, Seaman 2, D. Rackleff 1, Bartlett 2, Miller 2.

Independents Play.
 The second game between the Marshfield and Myrtle Point independents teams resulted in a score of 15 to 7 in favor of the former. This game was somewhat slower than the preceding one, and several times during the game the spectators were considerably amused at seeing the referees call several decided fouls.

The lineup of the teams was: Marshfield Position Myrtle Point
 Orls Forwards P. Brown
 Ekblad Forwards A. Adams
 Freeman Center Dement
 Morrow Guards E. Adams
 Buffington Guards B. Brewer

Murphy took Ekblad's place in the latter part of the game.
 Field baskets—Orls, Ekblad 2, Freeman, Buffington, Adams, Dement 2. Fouls—Morrow 6, Brown 1.
 The officials of the game were: Miller, referee; Graana, umpire; Barker and Parks, timekeepers; Bradley, scorer.

MORE NAMES ARE REQUIRED

Petitions for Names Being Circulated Before County Court Meets

With the county court meeting on Monday and only a few hours more in which to sign the petitions for a bond election and for the distribution of the sum for constructing good roads in Coos county, a whirlwind campaign is being made to secure all the names possible, so that the lack of names will not be the cause of the election plan being turned down as it was the last time.

Secretary Motley, of the Chamber of Commerce, was taking registration blanks and the petitions around the city yesterday and today in an effort to secure all the names possible for the good roads movement. Justice Pennoek has been landing everybody who comes within hail of his office.

The question is, "are you an eligible voter," and when the affirmative is answered the registration blanks are brought forward and questions are answered by a signature, are in order.

Of about 100 registering on to this morning in Justice Pennoek's office, seventy-five signed their names to the bond election petition and fifty-five put their names to the petition providing for the distribution of the road fund providing it carries, pending the proposed election.

The names have been coming in slowly for both registration and for the petitions, and some active work will be required, according to the petition circulators, to secure enough names to insure an election on the bond issue.
