Goods Well Displayed SELL THEMSELVES

The majority of stores are poorly equipped for good, natural lighting. Usually they are deep and narrow and cannot have side windows.

Good illumination in stores requires artificial lighting.

No other form of artificial lighting equals ELECTRICITY for efficiency, economy, safety, convenience, cleanliness and hygiene.

Mazda lamps have solved the expense problem. They reduce lighting bills—give the finest results.

THE LIVEST BUSINESS IS USUALLY THE BEST LIGHTED.

Telephone 178 and let us help you plan an efficient, economical electric lighting installation. A cost estimate will obligate you in no way.
