Shopping At Home

The Up-To-Date Woman shops at home by her own fireside. She takes her paper and reads the advertisements carefully before she goes to the store.

Experience has taught her that the merchant who is up-to-date in his methods finds it cheaper to buy space in the paper than waste the time of high-priced clerks showing all the goods on his shelves to his customers.

High-priced salesmen are not needed by merchants who advertise. Inexperienced girls can sell advertised goods while the back-number merchant is forced to employ high-priced salesmen.

Only those who are dull of apprehension choose to wander around in different stores taking up the time of clerks hunting for attractive articles and asking questions.

The modern woman has learned that the up-to-date merchant who makes his influence felt through advertising is the one who has the most desirable bargains and can afford to sell cheaper.

He can turn over his stock quickly without loss of time of salesmen at the counters and therefore keep down his expenses.

If he did not advertise he would not be an up-to-date merchant. Shopping at home, looking through the newspapers for bargains before you start out, saves time and annoyance and is sure to result in economy and satisfaction both for the store and the customer.

The Good Roads bill now goes to the Senate. The \$25,000,000 is to be divided, \$65,000 to go each state and remainder among the states on the basis of population and the number of miles of post roads. Each state must co-operate in expenditures for improvement.

SCHEDULE FOR 1914 IS OUT

NATIONAL LEAGUE ANNOUNCES PLAYING DATES—OPENS ON APRIL 14 AND CLOSES OCTOBER 7.
(By Associated Press to Coos Bay Times.)
NEW YORK, Feb. 11.—The 1914 playing schedule of the National League as announced here, following the annual meeting of the schedule committee, calls for the opening of the season on Tuesday, April 14, and the final game on October 7. According to a notice accompanying the schedule no changes shall be made that will conflict with the American League playing dates and double-headers shall not be scheduled for conflicting dates except by the consent of President Johnson of the American League. An exception to this ruling is made on the final trip of the season, to be exercised only in the case of absolute necessity. There are but four conflicting dates, however, all of which occur in Chicago, these being on May 10, 31, July 5 and September 13.

In the distribution of home holiday and Saturday dates, these schedule plans are about evenly apportioned, although the western clubs have a slight advantage over their eastern rivals. Pittsburgh draws 13 Saturdays and 3 holiday dates; Chicago 14 Sundays, 11 Saturdays and two holidays; St. Louis secures 11 Sundays, 19 Saturdays and one holiday; and Cincinnati has 15 Sundays and 10 Saturdays. In the east Boston has 13 Saturdays and three holiday dates; Philadelphia 13 Saturdays and two holidays; New York and Brooklyn share alike, each being allotted 14 Saturdays and one holiday. The road schedule shows that Cincinnati has 15 Saturdays, two Sundays and three holidays; Chicago 14 Saturdays, three Sundays and two holidays; St. Louis 15 Saturdays, six Sundays and two holidays; New York 11 Saturdays, five Sundays and two holidays; Brooklyn receives a similar share; Pittsburgh 10 Sundays and 10 Saturdays and Philadelphia 12 Saturdays, five Sundays and one holiday.

EUGENE MEN STUNG.

Merchants Victimized by Agent of a Credit Concern.
EUGENE, Or., Feb. 11.—A number of Eugene people, most of them physicians, were "stung" by a get-rich-quick scheme in which they bought membership last fall. An agent of the National Rating and Crediting Agency, of Milwaukee, Wisconsin, was here a few months ago and sold to quite a number of citizens "membership" in this concern, issuing stock to each, representing that the membership certificates would be redeemable with interest after a certain date. Hearing nothing of the agent or the company lately, those who had "invested" placed the matter before District Attorney Devers and he wrote to the attorney general of Wisconsin. A letter just received states that Steve Stenrellou, president of the agency, has recently been sentenced to serve 18 months in the Federal prison at Fort Leavenworth, Kansas, for using the mails to defraud.

WALTZ IS LEG-BREAKER.

Baker Man Survives Tango and Hesitation, To Fall On Old Step.
BAKER, Or., Feb. 11.—While dancing with a dashing divorcee at a fashionable dance at which the tango and hesitation waltzes were featured, Harry Near, a commercial traveler whose home is in Baker, slipped and with his partner fell to the floor. The young woman was uninjured, but Mr. Near sustained a fracture of the right leg just above the ankle. It was not the tango or any new dance which caused the mixup, however. At the time of the accident Mr. Near and his partner were dancing an old-fashioned waltz.

(By Associated Press to Coos Bay Times.)

GOOD SERMON AT REVIVAL

REV. KNOTT'S DELIVERS ADDRESS AT REVIVAL SERVICE WHICH INTERESTS MANY—SERVICES TONIGHT.

The sermon last night by Rev. Knotts on the "Shadows of Eternal Night" was one well worth listening to. He dwelt upon the thought of the shadows of the noonday sun in the tropics, the lengthening shadows, the short twilight and the darkness of a cloudy, moonless night, drawing out contrasts and showing similarities in the developing of Christless characters.
Starting with the thought of the old saying, "Coming events cast their shadows before them," he showed how the mind bent on evil foreshadows a dark character; how truth foreshadow a man's downfall; that making sport of religion throws a shadow of gloom over the soul; that despising the good and resenting reproof lengthens the dark shadows in life; that our persistence in evil sears our consciences and our minds and souls become fit only for eternal night, but that Christ's love will drive away all shadows if we but let his light illumine our hearts.
Tonight the Men's Brotherhood will have complete charge of the meeting. The meeting will doubtless be quite interesting. Come and hear men who have tried Christianity tell what it has done for them.

BRIEFS OF BANDON.

News of City-by-the-Sea As Told by The Recorder.
Chas. Cerna, night marshal of Bandon, has taken a vacation and left with his family on the Speedwell for a sojourn in California.
Father C. D. Keveny and Miss Katherine Keveny left this morning on the Speedwell for San Francisco.
The Prosper school is closed this week on account of a diphtheria case, but as the patient is well again and no new cases have developed Principal Roy A. Giles informs us that the school will probably commence again Monday.
The diphtheria scare in Bandon is about over as there are no new cases developing and the patients who have been suffering from the disease are nearly well.
A collision on the river, in which S. S. Shield's boat ran into P. S. Perry's boat, caused the latter to sink and it is now at the bottom of the river, but will probably be recovered. Mr. Perry was towing a raft of logs down the river for the veneer plant.
C. H. Chandler received a telegram Sunday that his son, Vern Chandler, had undergone an operation at Forest Grove and to come at once.

BANDON MAN WEDS.

A Portland paper says: "A pretty wedding took place on Wednesday evening, January 21, at the home of Mr. and Mrs. E. J. Wilkinson, 222 East First street North, when their only daughter, Hazel Ray, was married to Harley Eugene Morton. Rev. A. B. Calder, pastor of Trinity Methodist Episcopal church, officiated, the ceremony taking place under a white floral bell. The house was decorated elaborately in white and green, large tulle bows being effectively used. The bride's gown was of ivory white charmeuse, trimmed with real lace. Her tulle veil was fashioned in a cap effect banded with a wreath of orange blossoms, and she carried a shower bouquet of bride's roses and lilies of the valley. Miss Lillian G. Carpenter, who was maid of honor, was gowned in pale blue crepe de chine with waist of Oriental lace trimmed with pale pink carnations. Howard Wahlen was best man.
A buffet supper was served after the ceremony. Mr. Morton is engaged in business in Bandon, where the young couple will make their home.
