LINCOLN'S BIRTHDAY, FEBRUARY 12.

To most Americans Abraham Lincoln personifies real patriotism; he served his country in a way that seemed to him best; and he gave his best service in the fullest measure. There is no one of us who cannot learn something by considering this heroic man; there is no work of ours, no business of ours, which will not be better done if we do it with his spirit.

It is possible in our business as it is in every business; to render a real service; and we're trying to do it

Mother Ill.—Miss Lena Ashman, cashier at the Western Union office was unable to be at the office today owing to the illness of her mother, Mrs. W. H. Ashman. Miss Graham is filling her place.

Use Concrete Base.—The bitulithic paving will be put in here on the filled streets with a concrete base, six inches of concrete and two of bitulithic. On solid fills the bitulithic is laid without a concrete base.

Recovers Glove.—Through a Times found ad, Mrs. S. Levine yesterday recovered a new glove which she dropped on Front street the day before. Night officer Doane picked it up and one want ad in the Times found the owner.

To Salem.—District Attorney L. A. Liljeqvist has gone to Salem to argue the noted peddler case of Coos county vs. Case, a buggy salesman who was punished here for selling buggies without a license and who appealed to the Supreme Court.

Many Replies.—"Stop that want ad of mine for a boy helper," said W. H. Kennedy yesterday. "They wouldn't let me sleep last night. I have a good boy now and can't use any more." Mr. Kennedy had the ad in one issue of the Times.

Go To Bandon.—Messrs. Danson, Cook and Arnold left this afternoon for Coquille, Myrtle Point and Bandon, where they will try and do a little missionary work for bitulithic. All of the towns are figuring on putting in hard paving this summer.

Coke Assessor.—It is announced that County Assessor T. J. Thrift will appoint Tom Coke of Marsfield as deputy assessor for Marshfield and vicinity. He has not announced his appointments at North Bend or for the Ten Mile and the Inlet districts.

Is Promoted.—Fred Catrall, who has been assistant engineer on the Nann Smith, has been promoted to chief engineer on the Redondo and is now plying on the latter vessel. He is well known on the Bay, his wife having been Miss May Stauff of Marshfield.

Bourne Writes.—Former U. S. Senator Jonathan Bourne has written to a number of Coos county supporters asking them their opinion as to whether he should enter the race for U. S. Senator again this year. Many of them are writing him encouragingly, it is said.

Broke Window.—Yesterday afternoon a young man was looking in the window of the Busy Corner at the fish tank. A friend came up behind and grabbed hold of him with a little shove. It completely unbalanced him and he crashed through the plate glass. One of the men was a son of Ren Smith of Coos River.

To Move Back.—Mrs. R. M. Sarter is moving back into her old stand in the Montgomery building and expects to be able to open Saturday. They will have the entire room and will serve light lunches. Lando's store has been figuring on moving back Sunday, but it may be that they will

be unable to get back before March first.

Drug Store Closing.—This afternoon F. C. Birch and F. D. Cohan are circulating a petition to have the Marshfield drug stores close week days at 8 o'clock and to be closed Sundays except from 9 to 11 in the morning and from 5 to 6 in the afternoon. It was stated that practically all of the stores are agreed on the early closing.

Poultry Ranch Sold.—H. A. Wells has sold his poultry ranch at Kittyville to Chas. E. Althouse, a nephew of J. W. Mitchell. Mr. Althouse will soon take possession. Mr. Wells has not announced his plans but it is understood that he is figuring on putting in one of the swellest cafes in Marshfield that Coos Bay has ever had.

Father Ill.—Daniel Steinnon, who is employed at the McDonald & Vaughan logging camp, upon hearing of the severe illness of his father at the P. D. Blake home on Catching Inlet, made a quick trip on foot Monday night across the rough mountain trails, reaching his father's side about midnight. Mr. Steinnon, Sr., is not improving very much.

Rouleau Gone.—Cal Bridges today informed Marshal Carter that Frank Rouleau, who was sought by a sister at Springfield, Mo., had left here some time ago for Hoquiam, Wash. Marshal Carter has notified her. An item in the Times concerning the desire for information about Rouleau brought this information, a party who knew Rouleau sending word by Mr. Bridges to Marshal Carter.

Knew Dr. Hamilton.—There was a message of sadness in the Times last night for Dal Cathcart in the news of the death of his old friend, Dr. Hamilton of Roseburg, whom he has known for sixty years. Mr. Cathcart says he first met Dr. Hamilton when he came to Roseburg in 1853 and at that time he had not graduated in medicine and was a common laborer with the other pioneers of that day.

Great Anniversary.—Major Morton Tower of Empire, one of Coos Bay's best known veterans and until recently collector of the Port of Empire, this week is celebrating the fiftieth anniversary of his escape from the famous Libby prison. He aided in the construction of the famous tunnel through which a large number of Union officers escaped from the noted Southern prison and his memory of the hardships of prison life and the struggle to escape is most vivid.
