ADELINE SMITH BREAKS RECORD FOR HANDLING LUMBER HERE

Olson Smashes Previous Speed Limit on Last Trip of Vessel

ADRIAN TRIP MADE IN NINETY-NINE HOURS

Adeline Smith

Adeline Smith made her trip from Coos Bay Feb. 23, 1913, and in ten days she celebrated her first anniversary. This is her fifty-third trip from here and in the next trip she will probably make fifty trips. She averages in less than 1,500,000 feet of lumber to a cargo, so that in the next trip she will have handled about 1,500,000 feet of lumber, a record breaker for any vessel.

SAYS UNION KILLED GUARD

Western Federation Accused of Murdering Detective in Colorado Strike

DENVER, Colo., Feb. 12.—A direct charge before the Congressional committee investigating the Colorado coal strike, that George Belcher was murdered at Trinidad by United Mine Workers, at the instigation of an organizer of the union was made today by A. C. Felts, superintendent of the Baldwin-Felts Detective Agency. The killing of Belcher was a Baldwin-Felts detective, occurred November 26. Felts said that Louis Zaccanelli had confessed to the murder in the presence of Judge Advocate Major Boughton and Attorney General Chase. "How do you know the killing was instigated by the organizer of the United Mine Workers?" demanded Representative Evans. "Zaccanelli said so in his confession." "Who was the organizer?" "A. B. McGary."

DEBIT SLIPS IN EVIDENCE

Michigan Miners Claim Employers Acted as Collection Agencies

HANCOCK, Feb. 12.—At a hearing today of the Congressional investigation of the copper miners' strike, O. N. Hilton, counsel for the striking miners, read into the record a number of pay slips for the avowed purpose of proving that the "system was unfair and oppressive." It appears from the slips that the mining companies were accustomed to take out of the employees' pay amounts owed storekeepers, sometimes leaving nothing. A. F. Rees, for the operators, said that the inference that the companies ran stores was untrue. Hilton replied he merely wanted to show the system.

ELECTRIC POWER SENT WITHOUT AID OF WIRES

LONDON, Feb. 12.—William Marconi has succeeded in lighting an electric bulb at a distance of six miles by a wireless current supplied from a 100-horsepower engine, according to the Daily Mail. He is hopeful that the experiment will prove the forerunner, though not perhaps in the present generation, of wireless power for the lighting and heating of houses.

COOS BAY TO GET \$50,000

Only Recognition in River and Harbor Bill is Money for Bar Dredge

WASHINGTON, D. C., Feb. 12.—Among the items in the new Rivers and Harbors bill as announced today, appropriations in the northwest include: Coos Bay and harbor, \$50,000; Nehalem Bay, \$116,175; Coquille, \$90,000; Columbia River, between foot of Dalles Rapids and Celilo Falls, \$255,000; Columbia and lower Willamette River below Portland, \$200,000; mouth of Columbia River, \$1,000,000; Grays Harbor, between Aberdeen and Chehalis River, \$30,000; Puget Sound and tributaries, \$25,000; Columbia River, between Bridgeport and Kettle Falls, \$25,000.

ACTION IS TAKEN

W. U. Douglas today received a telegram from Congressman Hawley stating that he had just been officially apprised by the Rivers and Harbors Committee that the Rivers and Harbors bill contained \$50,000 for continuing the harbor improvements on Coos Bay and \$3000 for Coos River work.

COOS PIONEER DEAD

Abraham May, father of Mrs. W. C. Tipton, of this city, died at his home near North Bend, Washington, recently, aged 83 years. He is survived by his wife and eight grown children. He formerly resided on Fall Creek, in this county. He was an uncle of Brig. Gen. Fred Wellen, of the National Guard of the state of Washington. He came to Coos Bay in 1862.—Roseburg Review.

California Executive Announces Pardon for Wheatland Convicts Useless

PLANNED TO HAVE 2000 MEN IN LINE

Governor Says That Only Appeal of Merit Will be Considered by Him

LOS ANGELES, Cal., Feb. 12.—Commenting on the report that an army of 2000 men contemplated marching to Sacramento to demand a pardon for Richard (Blackie) Ford, and Herman Suhr, who were sentenced to life imprisonment after being convicted of murder in the Wheatland hop-pickers' riots last August, Governor Hiram Johnson said: "No army of any sort marching to Sacramento and demanding a pardon from me would have any influence whatever. Any application for pardon must be regularly made and based on facts in the case."

SAYS MINERS WORKED HARD

HANCOCK, Mich., Feb. 12.—"We were worked to death and did not get money for it," declared Pat Dunning, a copper miner, today to the congressional investigators. His testimony related not only to mine working conditions but also to alleged acts of imported gunmen at the strike in the village of Ahmeek, of which he was marshal. "What do you want?" Chairman Taylor asked. "Let the companies give minimum pay of \$3 for an eight-hour day and recognize the union and they will make more money than they ever have made. Boy trammers who formerly filled ten cars a day have been driven to fill as many as fifty-two in later years," he said. He declared "the one-man machine is killing us all."

DELAY ACTION ON ELECTION

Coos County Commissioners Postpone Calling Bond Vote Until Monday

After considerable discussion at Coquille yesterday afternoon, the county court continued the hearing on the petition for the Good Roads special bond election until next Monday. President Morrison, J. O. Stemmler and others argued for the election being called at the earliest possible date. The commissioners were not convinced that the cost of a special election only four or five weeks in advance of the primary would be warranted and left the matter over, today being a holiday. It is said that only fifteen or twenty names on the petition of 1259 were found to be valid.

PRES. WILSON IS ILL

Severe Cold Causes Him to Cancel Engagements. WASHINGTON, D. C., Feb. 12.—President Wilson's engagements for today were cancelled, according to an announcement at the executive offices today, because the President was ordered by his physician to stay in his room to recover from cold. It was said at the White House that the President's cold had made him hoarse and caused a slight cough. Officials said they expected the President would be out again tomorrow. Secretary Bryan visited the President in his room.

PULP TEST VERY SATISFACTORY

Manager Hjalte Nerdrum Returns From Oregon City With Good News

That the first shipment of pulp from the Coos Bay pulp mill worked up fine into paper at the Oregon City mill, was the gratifying news which Hjalte Nerdrum, manager of the mill, who went there to witness the test, brought back today. Mr. Nerdrum said that it proved most satisfactory and insured great success. He also learned as to the grades of pulp that was in most demand on the coast and will change the process a little to meet this. The pulp mill has been making about ten tons per day, but this will be gradually increased to the capacity output.

MAY LOCATE ON COOS BAY

Brownsville Glove Company Considering Moving Plant From Bend

Secretary Motley, of the Chamber of Commerce, is in receipt of a letter from the Brownsville Glove Company, located at Bend, Oregon, inquiring regarding the possibilities for the location of a glove factory here. The company also advises the secretary that they are sending a representative to Coos Bay survey the country. The company employs thirty-five people at the present time and in view of locating on Coos Bay would look to increasing the size of its plant and output.

Many Want Land

Numerous inquiries are being received from people in all sections of the country in regard to homestead and farm lands. Secretary Motley states that the correspondents are of a better class than he has received heretofore, and looks forward to large immigration in the coming summer.
