Time-Savers

Almost every new bicycle you see, is a **TIMESAVER**. Now, why? Not because of the attractive personality of the man who sells them—hardly.

Nor yet, because the **TIMESAVER** is the only good bicycle made—we don't claim that.

We ask you to buy your bicycles of **MARSHFIELD CYCLERY**

BECAUSE:— Quality considered, you can't beat the price anywhere.

BECAUSE:— Being practical bicycle mechanics, we can serve you better than a general store.

BECAUSE:— It is to our interest to make good any possible flaw in a bicycle we sell.

BECAUSE:— We can give you any style of equipment and will sell you any part of a new bicycle if you wish to use part of your old one.

We will deduct the price of tires or any other part that you do not want.

Hildenbrand fixed up a want ad at noon yesterday and within an hour had recovered his own coat and restored the other one to its owner.
