A QUAINT SPRIGGED CREPE FOR SOUTHERN CLIMES

Dainty materials and charming colorings are being shown in the simple morning and day frocks for the south. While the tailored suit of white or light colored serge, ratine or cloth is still favored, the one-piece dress is equally used. They are essentially plain, depending upon material and cut for effect. As illustrated, No. 8098 is developed in flowered cotton crepe. A tiny, old fashioned looking flower in old rose is scattered over a blue ground. A bit of hand embroidered batiste forms collar and cuffs and trims the skirt.

In size 36 this model may be made with 5⅝ yards of 36 inch crepe or silk. A charming little frock could be fashioned after this design in one of the new silks, tussahs or voiles. These may be had in several widths, 36 and 38 inches, and in price range from 75 cents up.

Most of the new materials and trimmings favored for grown ups are being used in children's things. The new printed and fancy woven novelty cottons, crepes, voiles, etc., are used and the plain linens, chambrays and piques.

No. 7962 is designed to slip on over the head sailor fashion. The skirt is attached to a sleeveless underwaist. Plain white crepe is used here trimmed with colored floss and a low hung belt of red suede.

For a child of 8 this dress requires 2⅝ yards of 36 inch material.

No. 8098—sizes 34 to 42.
No. 7962—sizes 4 to 14.
Each pattern 15 cents.

To obtain either pattern illustrated fill out this coupon and enclose 15 cents in stamps or coin. Be sure to state number of pattern and size, measuring over the fullest part of the bust. Address Pattern Department, care of this paper.
