NE man is not a community. Two men are.

The kind of community they are depends upon whether they work for or against each other.

Aand no matter how large the group becomes, the principle remains

A neighborhood is good or bad, progressing or inert, as the majority of the people composing it are good or bad, progressive or inert, Coos Bay is a big community in which at least fifty-one per cent of the people are striving to make bigger and better, because they know as the

community prospers, so does the individual. This community effort for our common betterment should find its best expression through co-operation. Personal prejudices and individual indifference should give way to enthusiastic promotion of the general wel-

One of the large contributing factors in making a better Coos Bay has been the Marshfield Band. It has merited the support it has received. The Times is not in sympathy with any movement that seeks to disrupt or destroy that organization. The people of Marshfield have expressed their approval of the appropriation which the Council has given toward the support of the band.

The Times is rather suprised and disappointed that Councilman Copple PORTLAND, Or., March 4.— The Times is rather suprised and disappointed that Councilman Copple LONDON, March 4.—The Mexican Charged with appropriating to his should attempt to have the Council nullify the verdict of the people situation and Sir Edward Grey's own use \$18.020 of the bank's funds, of this city by overriding their will as expressed at the ballot box.

The Times believes in economy. It thinks the City Council has been too liberal, to avoid the harsher term, extravagant. There are many ways, liam S. Benton was the subject of much comment today in the newsportant factor in amusement and culture that this city affords. Anyway, papers. The Pall Mall Gazette says The Times thinks the Councilmen arothe servants of the people of Marsh-field and not their masters. When Mr. Copple seeks to set himself above the people and their wishes as expressed at the ballot box he is attempting all Englishmen. a dangerous precedent and one that will not stand the test of law or logic,

Johnson Company-Reduction in Wages

The Johnson Lumber Company lowing concerning a strange matri- resumed operations on the lower Coquille this week under Robert joke on our respected and esteemed Dollar as trustee. This arrangement was made to take care of the financial difficulties which the com-pany encountered a short time ago. The Dollar Company made arrangements to pay all labor claims promptly and the other claimants agreed to wait for their money.

Eck Johnson remains as active manager of the company, although it is understood at Bandon that Stanley Dollar, a son of Robert Dol-lar, will spend considerable time there looking after the business until all of the entanglements are ad-

spring.

Stanley Dollar met with a slight accident the other night while re-turning from the mill. He stepped off a sidewalk, falling and breaking

his shoulder.

F. L. Greenough, of Bandon, was over today and reports that the prospects are for a good season there, the resumption of operations at the Johnson mill being very bene-
