THE DESIRE FOR BETTER LAUNDERING

is the one thing which inclines Coos Bay people to the Twin City Laundry. With the desire, of course, is the foreknowledge that the Twin City is expected to do better work. Hence the confident feeling that they can get it when they send us their bundles.

Under the present ownership and management of E. L. Powell and A. J. Reise, the Twin City has been doing some of the best laundry work ever turned out on Coos Bay.

The Twin City has no connection in any way with any other laundry on Coos Bay and the owners, E. L. Powell and A. J. Reise, are not interested in any other laundry.

Send your laundry to the Twin City, where service and satisfaction always awaits you.

A phone call will bring our wagon to your door.
