

## GRIMES SAYS DRAFT NO GOOD

**FORMER INSURANCE MAN WRITES FROM RAYMOND, WASH. EXPLAINING ISSUING BAD DRAFT—OTHERS COMPLAIN.**

Sylvester Jones, proprietor of the meat market on Broadway near Commercial, yesterday received a letter from Raymond, Wash., in which F. E. Grimes told him that a \$35 check which he had Jones cash would be turned down. Grimes said that he had to have the money and he told Jones if he would see a sewing machine agent named Thomas that the latter would pay him \$15 that Grimes had paid in on a sewing machine.

Jones appealed to Justice Pennock but what will be done about it is not known.

Tom Nichols from whom Grimes collected an insurance statement informed Jones and Justice Pennock that Grimes and his wife had left under assumed names.

Justice Pennock said that he had received one or two other complaints about Grimes.

Grimes had been on the Bay several months as agent for the Occidental Insurance Company. His wife came from Spokane where her folks are said to be well to do.

## H. A. WELLS BUYS RIGHT CAFE

**Former Restaurant Man to Re-engage in Business Here—Plans Cafe**

H. A. Wells, for years proprietor of the Java Coffee House in Marshfield, and who gained a statewide reputation for conducting the best eating house, has re-entered business in Marshfield. He has just closed negotiations for the purchase of The Right Cafe on Front street from Mr. Wilson and assumed possession today. He immediately closed the cafe and started in men to alter and completely overhaul it. In a few days he will re-open it and may change the name to "Wells Cafe."

Since disposing of the Java last year, Mr. and Mrs. Wells have been enjoying a vacation, the first real rest in several years. Mrs. Wells is now visiting in Portland. For some time Mr. Wells has been figuring on re-engaging in the restaurant business here, but found it difficult to secure a desirable location until he secured The Right Cafe.

"I will have the Right Cafe remodeled and improved and made into the neatest little cafe or eating house in Oregon," said Mr. Wells today. "I do not intend to make it the most elaborate eating house, but I will make it the cleanest and most wholesome possible. I expect to even improve the service that we formerly gave to the business here and to make the cafe attractive and above all a place where only the most palatable, wholesome and best victuals are served."

## MERRY CLASH OVER LEASES

**W. P. MURPHY AND MYRTLE POINT FARMERS' UNION DIFFER OVER WAREHOUSE PROPRIETORSHIP THERE.**

There has been lively controversy on at Coquille the past week over the occupancy of a warehouse on the Collier property there. W. P. Murphy of Marshfield and his agents claim the occupancy of the property under a lease made some time ago by the late F. S. Low and his successor, the Southwestern Warehouse Company, while Collier claimed that the lease was terminated by non-payment of rent and he leased it to the Myrtle Point Farmers' Union. The latter attempted to take possession and took off Murphy's lock and put their own on the door. Murphy or his men promptly yanked off the Farmers' Union lock and put on another of his. The game of yanking off the locks and putting new ones on proceeded gaily for a few days and finally a truce was declared until the legal status of the matter can be threshed out.

**One Claim Filed**  
So far, one claim against the late J. S. Dow has been filed with W. P. Murphy as administrator. It is of the Goldenrod Milling Company and amounts to about \$1200.

Expert Wann is now experting the books of the company. Affairs involving the ownership of the Myrtle Point fruit dryer are also being threshed out.

## BUICK SIX CREATES STIR

**Beautiful Car Starts Much Comment Among Auto Enthusiasts on Coos Bay**

The handsomest automobile that has been seen on Coos Bay streets this season is the beautiful new Buick Six that arrived on the last Breakwater consigned to I. R. Tower.

It has created something like a sensation among local auto enthusiasts and Mr. Tower has been besieged with inquiries, but the new car has already been sold to Mr. C. A. Jameson, of Bandon.

The car is as perfect in operation as in appearance and those familiar with the mechanism of automobiles pronounce the Buick Six one of the finest cars ever seen on Coos Bay.

Mr. Jameson is to be congratulated on his purchase and it is doubtful if it would have reached Bandon if it had not been secured in advance.
