

Special Offering--Easter Week
10 Per Cent Reduction

Any One of These
 Superb
**Spring Suits
 or Coats**

This special reduction of 10 per cent could not have happened more timely than at Eastern Week and the demand for Spring Suits and Coats at its very height. Every garment is high-class. They represent the season's favored fashions. Every garment, without a single exception, was turned out by a maker who has a reputation to sustain. Every Suit and every Coat, without a single exception, is desirable. We emphatically invite you to compare the original price of any of these Suits or Coats with one of similar quality in any other store and note that these garments are marked from \$2.50 to \$7.50 less. Then this 10 per cent gives you an additional clean saving of from \$1.50 to \$3.50 or more. Bear in mind that this is the heart of the season when the assortment is complete.

Suits Extraordinary

There are so many different styles represented that description must be merely superficial. We could not begin to tell you of the fine tailoring—the exquisite trimmings or the dainty touches of color. Although these suits are very unusual values, it is for their smartness and originality of style that we commend them to you. Colors are Roseda, Wisteria, Tango, Copenhagen, Mahogany, Navy and Black.

Striking Values in Spring Coats

This is a season of such fashionable styles and fabrics—so full of newness that not one, but many separate Coats will be found useful and attractive. We particularly invite your attention to the newly arrived line of White Chinchilla Coats—priced \$17.50 less the Easter Week 10 per cent reduction—makes this Coat cost you just \$15.75. Every Coat in this assortment is a style exclusive with the Hub.

**Superb
 Spring
 Dresses**

We are particularly fortunate in being able to offer such a variety of the very latest style dresses in exclusive fashions. Such stylish fabrics as Crepe de Chine, Silk Crepes, Chiffon, Taffeta, Pussy Willow Crepe, plain and flowered Poplins as well as fancy Eponge and fine Serge. Many with bodice of one color and skirt of another; with Net and Tulle, Chiffon and Lace in all varieties of filmy materials for embellishment. The fact that the Hub sells more dresses than any other two stores on the Bay combined, speaks sufficiently for the values.
