FOR an Easter greeting we cannot do better than to say that we wish to renew our assurance to our customers, that in every possible way we mean to make this store a place where you can buy such merchandise as we sell with entire confidence that the qualities are right, the prices right, the spirit of service right.

Hart Schaffner & Marx clothes

are the chief merchandise factor in making such a store; they are here because we believe they are made in exactly the same spirit as that in which we sell them—for the benefit of the wearer. The new models are marvels of smart fashions; the new fabrics, gathered from all the leading weaving centers of the world, are of great beauty and variety.

There is no way in which we can better serve a customer than by getting him into these clothes. Suits and Overcoats, \$18, \$20, \$25, \$30, \$35, \$40.

METHODISTS PLAN FOR EASTER

Extensive preparations are being made for Easter at the Methodist church. The Sunday School has prepared a fine program for the morning service at 11 o'clock. For the evening Mrs. A. B. Gidley has arranged for a splendid sacred concert. Mr. G. W. Kaufman will preside at the organ. Mrs. Frank Birch will have charge of the decorations. The new addition will probably be in shape to throw open to accommodate the large crowd that will doubtless be present.

LOCAL BREVITIES

TIDES FOR APRIL Below is given the time and height of high and low water at Marshfield.

The tides are placed in the order of occurrence, with their times on the first line and heights on the second line of each day; a comparison on consecutive heights will indicate whether it is high or low water. For high water on the bar subtract two hours 34 minutes.

Table with 4 columns: Hrs., Ft., Hrs., Ft. showing tide data for April 10-15.

WEATHER FORECAST (By Associated Press to Coos Bay Times.) OREGON — Showers and cooler; westerly winds.

LOCAL TEMPERATURE RECORD For the 24 hours ending at 4:43 a. m., April 10, by Benj. Ostlund, special government meteorologist: Maximum 54 Minimum 49 At 4:43 a. m. 50 Precipitation .77 Precipitation since Sept. 1, 1913 58.75 Precipitation same period last year 56.88 Wind: Southwest, cloudy.

Motor Broke—The S. P. Motor is not running today on account of an accident to her machinery, which will take the entire day to repair.

Barrow to Run—Reports from Coquille are that C. R. Barrow, a well known attorney there, is arranging to file as a candidate for the republican nomination for representative from Coos county.

Can't help Bandon—According to the Portland Journal, the Chamber of Commerce there is not in a position to do much towards helping Bandon get a boat for direct service from there to Bandon. The Journal states that shipowners say there is not sufficient business in sight to warrant it.

May float Barge—According to reports from Florence, it is likely that an effort will be made to float the barge Fredrick and get her up on the beach and see if it is possible to repair her. Some think that she can be saved. The removal of the machinery is proceeding fairly well and most of it will be saved.

Appeals Case—Mrs. Flora Foreman formerly of Curry county but recently in a mixup with the school board at Quincy, Oregon, is still fighting to retain her place as teacher there. The recent recall election of the school directors is now being attacked as illegal in order to show that her attack, at the head of a band of Socialists, on the school house was merely an effort to retain her position.

Pavement Costs More—The impression gained by the members of the North Bend Chamber of Commerce from the statement of G. B. Datson on Wednesday evening that Sherman avenue could be paved for \$1.85 per yard is erroneous according to Mr. Datson who says that the North Bend pavement will cost more than the Marshfield pavement, the difference being the cost of transportation from Marshfield to North Bend on the product.
