SAY MANNING MUST VACATE

Port of Coos Bay Orders Ordinance to Require Squatter to Leave Harbor

At a meeting of the Port of Coos Bay today, Attorney Peck was instructed to draft an ordinance providing for the removal of all persons, buildings, ect., occupying locations within the harbor lines.

This was directed against John Manning, whose occupancy of Dridger Isle has caused some stir. The ordinance may be passed today and will have an emergency clause attached so that it will become effective at once. Ten days is allowed to comply with it and failure to comply will be regarded as a misdemeanor.

The matter was brought up by J. E. Fitzgerald, who wanted the oyster shells pumped up by the dredge made available for the ranchers to use as fertilizer. J. W. Bennett some time ago agreed to oust Manning, but had made no progress and the Port Commission decided to get action.

LINE THROUGH THE WAREHOUSE

Southern Pacific Will Cut Through Alliance Dock With Railway Tomorrow

The Southern Pacific tomorrow morning will start the construction of the piece of line connecting up the Myrtle Point line with the Terminal Railway between Marshfield and North Bend. This link has been hanging fire for some time, owing to it being necessary to cut through the Alliance warehouse.

However, arrangements were made today to start the line through the warehouse tomorrow morning, and it will probably be completed within a few days.

It is not likely that any steam trains will be run through for a time as the road to North Bend will have to be ballasted with gravel before it will carry heavy engines. The motor car can run through.

A motor car may be put on between the Bay and Myrtle Point within a few weeks if one can be secured that quickly.

FINE EASTER SERVICES HERE

Large Congregations Attend All Churches—Dedication In North Bend

The weather man was favorable to the Easter services on Coos Bay and excellent weather prevailed. Practically every church was filled to overflowing at the morning service. Special musical programs added to all of them.

The showery weather in the afternoon prevented any Easter day parade of new spring gowns, although many were in evidence at the churches in the morning.

The dedicatory services of the new Christian Church at North Bend by Rev. Samuel Gregg drew large congregations at the three services.

At the Presbyterian Church last evening, the Cantata "From the Manger to the Cross" was sung by a double quartet, to a capacity and very appreciative congregation.

This cantata recites in beautifully arranged music, the main incidents attending the coming of Christ, his ministry, crucifixion and resurrection, and is very appropriate as an Easter song service.

The soloists were Miss Volz and Mrs. Robinson, sopranos; Mrs. McKnight, contralto; Mr. Burkhardt, tenor; Mr. Tiedgen, basso and Mrs. Wilson, organist.

There have been many requests to have the cantata repeated at an early date and it is hoped this may be arranged, as there are many who wish to hear it sung, who were unable to attend last evening on account of being absent to take part in or attend services at other churches.
