

BUSINESS IS GOOD

MANY times each week we are asked, "How is Business?" Business is good. So far this year each month has shown a nice gain over the same month last year. Each year our business has made a big gain over the previous year. As we live we grow. Without any big noise or special sales The Golden Rule is doing a much larger volume of business than any similar concern in Coos county. Our prices draw. It is expensive and needlessly extravagant not to trade at the Golden Rule. Most thrifty people have learned this, therefore we get their business.
