DR. WHITE IS HEARD BY MANY

Large Attendance at Meetings to Hear Able Discussion of Social Evil.

At the conclusion of a largely attended meeting at the Masonic Opera House last evening to hear Dr. White's lecture on Social Hygiene, a resolution was unanimously passed to have the special committee here continue the work in Marshfield. The committee will determine later along what lines to work.

Dr. White delivered an able lecture on the "Great White Plague". Senator I. S. Smith presided and talks were made by Supt. F. A. Tidgen, Dr. E. Mingus and C. R. Peck and spirit of co-operation in taking effective steps in combatting the social evil was evident.

Yesterday afternoon, Dr. White addressed a large meeting for women. It was planned to hold it at the Episcopal church but so many responded that they adjourned to the Masonic Opera House where he spoke.

The exhibit in connection with the work at the O'Connell building is attracting many visitors.
