PROGRESS CLUB.

The Progress Club met for Flower Day April 27, the next to last meeting of the year, at the home of Mrs. D. E. Maloney. Mrs. Blake, the president, presided. The greater part of the afternoon was devoted to business, including the admission of two new members, Mrs. R. W. Morrow and Mrs. Vernon Smith, discussions of various kinds and appointments of committees. The fly-trap model borrowed from Dr. Hodge, its inventor, was on display, together with literature on the fly problem.
