Talk It Over With L. L. Thomas

When you are in doubt about what make or style or finish of a piano you should buy.

When you are pondering over which player-piano will give you the most satisfaction.

When you are undecided which sort of a talking machine to buy. When you are puzzled by these or other questions that pertain to them.

Ask L. L. Thomas, Manager Wiley B. Allen Co.

For many years he has made a study of these things and has watched the progress of every important invention that has brought about their present perfection.

For forty years the Wiley B. Allen Company has been engaged in the sale of musical instruments and built up one of the most successful establishments on the Pacific Coast.

Backed by such a house with such a record, Mr. Thomas is always alert for everything in his line of business that is new and improved.

THEREFORE WHEN IN DOUBT
