

DIFFERS FROM L. J. SIMPSON

Bandon Commercial Club Desires Explanation of Building at Exposition.

The Bandon Recorder says: L. J. Simpson of North Bend still maintains that Coos county will have a building at the Panama-Pacific Exposition, although the Bandon Commercial Club has been officially notified by the fair commission that there would be no county buildings. At the meeting of the local Commercial Club last Friday night the secretary was instructed to write Mr. Simpson and ascertain if possible by what authority he states that county exhibits will be allowed in their own buildings.

Following is the letter written by Secretary Treadgold:

"Mr. L. J. Simpson, North Bend, Ore. Dear Sir—I have been instructed by the Bandon Commercial Club to write you, asking what, if any, authority you have for your statements that Coos county was to be given a concession for a building site at San Francisco for the fair? Our vice president, Mr. Gelsendorfer, in personal conversation with the president of the Exposition and Mr. Baker, was told there would be no county exhibits whatever, not even from California. Also the chairman of our committee on Panama-Pacific Exposition matters received a letter which is couched in the same terms as stated by Mr. Gelsendorfer, and so in the face of this what grounds have you to base your activity for a county building?"

We think that the county should try to arrange for a suitable part of the Oregon State building, as this is going to be one of the best buildings on the ground, with a good location, etc., and this is the opinion of the club after fully considering the matter from all points.

Trusting you will see the wisdom of this course, I beg to remain, on behalf of the Commercial Club, yours very truly, M. E. Treadgold, Secretary."

SPROULE SEES PART OF LINE

Southern Pacific President Makes Tour of Inspection Over Part of Road.

EUGENE, Or., May 22.—"There are no hopes of a betterment of business conditions unless public opinion completely changes," said William Sproule, president of the Southern Pacific company, who spent a night in Eugene. "My hope and belief is that the growth of this country, backed by a sense of fair play possessed by the American people, whenever they are awake to the situation, will suffice to overcome the mistakes and interferences that hinder not only our business but nearly all kinds of business in the country. We need to open the factories and the mills and get the people back to work. We should stop the theory that prosperous business is somehow pernicious to the state. It is a childish fallacy that is dragging us into hard times."

Mr. Sproule was accompanied on his trip to Eugene by Robert E. Strahorn, president of the Portland, Eugene and Eastern railway, F. L. Burkhalter, superintendent of the S. P. lines in Oregon, H. A. Hinshaw, general freight agent, and John M. Scott, general passenger agent.

The party arrived from the north about 4:30 o'clock in the afternoon and immediately left on their special train for a trip over the Willamette Pacific railway. They were conducted on this trip by W. R. Fontaine, assistant engineer in charge of the construction work on the new line. They went as far as the rails are laid, reaching the end of the line before dark, and returned to Eugene, arriving at 9:30 o'clock. They proceeded south and President Sproule will leave the Oregon officials and return to San Francisco, after having inspected most of the company's lines in this state.

Mr. Sproule said that the new Willamette Pacific line is well constructed and that he is well pleased with the work and with the looks of the country through which it passes.

RED CROSS TO BE PREPARED

Coos and Curry County Medical Society Comply—Expect Call to Mexico.

At a meeting of the Coos and Curry Medical Society here this week, steps were taken to comply with a request from the American Red Cross Society to organize for cases of emergency. The letter from the Red Cross stated that doubtless within a few weeks the organization would be called upon to assist the army in Mexico, indicating that they are apprehensive of developments.

They also requested that each county medical society organize a Red Cross committee of five and furnish the names of all physicians who were competent and willing to answer to an emergency call, such as army service or aiding in times of disaster, etc.

The Coos and Curry Society selected Dr. Walter Culin of Coquille, president, Dr. E. Mingus of Marshfield, secretary, Dr. Dix of Marshfield, Dr. Leslie, G. Johnson of Myrtle Point and Dr. L. K. Strate of North Bend as its Red Cross committee.

CARD OF THANKS.

We wish to express our heartfelt appreciation of the kindness and sympathy shown us during the illness and death of our beloved Hilda Nelson and also for the many beautiful floral offerings. This sympathy and kindness which did much to alleviate our sorrow will never be forgotten.

Mrs. Albert Hanson, Arnold Hanson, Alex. Nelson, Nels Nelson.

AMONG THE SICK

Roy Abbott who is still confined to the Mercy Hospital for treatment for his injured hand was able to be in Marshfield yesterday. The injury although not as severe as reported is rather painful and will probably keep him out of baseball for the season. He will be a heavy loss to the Marshfield team.

Proctor Flanagan, son of Mr. and Mrs. J. H. Flanagan, who has been quite ill is reported improving.

TODAY IS Our First Birthday!

Just one year ago the Marshfield branch of this firm was opened—today it occupies a place among the successful branches on the Pacific Coast.

We wish to thank the people of Coos Bay, Coos County and all Southwest Oregon for the patronage that has made possible this successful celebration of our first birthday in Marshfield. We assure you of our grateful appreciation and will endeavor to merit its continuance of the same business principles that have thus far met with your generous approval.

While the Marshfield branch is just one year old today it is backed by forty years experience and successful operation on the Pacific Coast. There's a reason for our success. We made good because everything we handle is standard. Our pianos—piano players—talking machines are all the

WORLD'S WINNERS.

That's why they won in Southwestern Oregon. This house is today doing the largest business of any piano house or music store in southern Oregon.

There's a reason—in fact, several reasons.

Here are some of them:

TALKING MACHINES:

- Victrola
- Edison Diamond Disc.
- PLAYER PIANOS:
- Milton
- Price & Teepie
- Angeles
- Knabe-Angelus

PIANOS:

- Mason & Hamlin
- Hardman
- Packard
- Ludwig
- Kingsbury
- Conover
- Milton
- Wellington

LUDWIG

These standard lines are backed by other reasons—business principles and policy that have made the Wiley B. Allen Co. what they are today—the leading piano house on the Pacific Coast. These other reasons are:

Your money's worth or your money back. Courteous treatment at all times. Service—the best we can possibly give you. Forty-one years of reliability.
