

# MARSDEN CASE NOT SET YET

### Marshfield Man Arrested for Violating Parol Will Be Up Again Soon.

District Attorney Liljeqvist, who was here from Coquille yesterday stated that the case of Jack Marsden, who was arrested here recently for violating parole by using intoxicating liquor, for carrying a gun and for alleged threats against J. W. Bennett, would be taken up soon. Marsden has been in jail for several weeks. J. D. Goss is his attorney and Mr. Liljeqvist said that they were ready to call the case as soon as Mr. Goss was ready.

### Myrtle Point Case.

Mr. Liljeqvist said that quite a chain of evidence, much of it now being worked up in the case of Grove H. Miller, recently indicted for robbing the Myrtle Point bank. Miller has been in jail since last fall, with the exception of a few days this spring. Mr. Liljeqvist said that they could not give out any of the new evidence until the case comes up for trial at the special June session when it will be tried as well as the Dempsey and Bravine cases, the latter growing out of the riot at Henryville in which James Ferrari shot and killed John Kelly.

### North Bend Cases.

Mr. Liljeqvist was at North Bend yesterday about the Stewart-Collins embroglio and Justice Shuster informed him that it was likely that the matter would be dropped. As there was nothing serious involved, Mr. Liljeqvist decided that it would be the cheapest and best way if Stewart dropped his charges.

The row between the Greeks of the Grand Restaurant at North Bend will also be adjusted outside the criminal courts.

# SAYS HE WAS ROBBED HERE

### Unknown Man Tells Auto Driver That He Was Knocked Unconscious—Lost \$14.

An unknown man was beaten and robbed of \$14.00 near Ferndale at 12:30 this morning by three men whom he met earlier in the evening in a local saloon and invited him to the home of a friend whom they claimed lived near Ferndale.

When the quartette arrived near the place where the Dredge Seattle is operating at present, the three assaulted the stranger and rendered him unconscious taking all his cash. He revived about thirty minutes after and managed to walk to Marshfield and was picked up by Frank Page, of the Gorst & Kling line and taken to North Bend.

The stranger then examined his wallet and discovered that only \$14.00 had been taken from him, as his purse contained \$26.50 in cash and a check for \$64.00. Page said today that the man is evidently a stranger in Marshfield as he has never seen him before and does not know his name.

### TROUBLE OVER BOY.

### David Alexander Gets Into Trouble As Result of Family Clash.

David Alexander was taken into custody at 5 o'clock last night by Officers Carter and Richardson. He was released on \$25.00 cash bail.

Officer Richardson's attention was drawn to the matter by a stranger who said that he heard a woman screaming in the vicinity of the Java Coffee house which is conducted by Alexander. Officer Richardson hastened to the scene and discovered Alexander in the rear room scuffling with his wife, having broken her glasses and also leaving a blister across her face. He was immediately taken into custody. It is reported that the trouble arose between Alexander and his son who was supposed to do some chores about the restaurant last evening. The boy, who is about 12 years of age was late in getting to the restaurant and was met by Alexander who, in a rage, made a dash for the boy and was

# FRANK MAUPIN IS A BAD BOY

### Ten-year-old Coquille Urchin Prize Winner for Meanness —Sent to Reform School.

(Special to The Times.)  
COQUILLE, Or., May 28.—Frank Maupin, the ten-year-old son of C. M. Maupin of this city was ordered sent to the Oregon State Reform school by Judge Hall in juvenile court here this week. Of all the bad boys that have ever appeared in local juvenile court, Frank takes the cake.

This was the second time he was up in juvenile court, the first time being accused of the theft of some jewelry. Then he was sent to a ranch and proceeded to steal everything lying around loose. He was sent on an errand to a neighboring ranch and not finding anything he desired, he proceeded to break up the nests of setting hens and kill a number of chickens. His benefactors gave up in despair and he was sent home to Coquille.

No sooner had he struck Coquille than he swiped a pair of skates and some other articles, part of which he had sold when captured.

His father and mother tried every means to break the lad of his bad habits but they said he simply grew worse instead of better.

A short time ago, Frank ran away with another small lad and when they were taken up by the officers in Marshfield, he said they were searching for the Myrtle Point bank robbers.

The Maupin lad came here with his parents a few years ago, the father having first come to Coos county to promote an oil drilling company at Marshfield.

### Eastside Council Decides on Elevated Roadway to Cost \$5000 for Ferry Service.

At a meeting of the Eastside City Council plans and specifications for the improvement of McKay street from Second street to the harbor line were adopted. The plans of Engineer Cavanaugh are for an elevated roadway. The total estimate cost is about \$5000. As soon as necessary steps can be taken bids will be called for.

This is the new street leading out from the heart of Eastside to a point opposite a continuation of Elrod avenue and the one Eastside desires to connect with the ferry instead of the present long wharf. The Eastside citizens and Council are very anxious to have the Marshfield officials hasten the construction of the new ferry landing here so that the change can be made.

### Shut Up Livestock.

As a result of many complaints being made about damage done by cows and horses which have been roaming at large at night in Eastside, the City Council instructed Marshal McGriff to rigidly enforce the city ordinance. This provides that all livestock shall be kept closed up from 9 o'clock in the evening until 4 o'clock in the morning.

### LIGHTNING AT GRANTS PASS.

### Shingles and Splinters Thrown in Every Direction from Church.

GRANTS PASS, Or., May 28.—Grants Pass and vicinity suffered from a severe electrical storm last week, rain and hail falling, accompanied by thunder and lightning. Lightning struck the Methodist Episcopal church South and demolished the steeple. Shingles and splinters were thrown in all directions for nearly a block. No damage was done inside the church. The damage is covered by insurance.

stopped by his wife and trouble followed. Marshal Carter said this morning that Alexander would be brought before Recorder Butler tomorrow morning at 10 o'clock, when he will be given a hearing.

# NEWS OF NORTH BEND

## MAY CONCRETE SHERMAN AVE.

### Petition Circulated for North Bend Paving—Hollister Favors Cheaper Material.

A petition is in circulation in North Bend today asking the North Bend City Council to order the hard-surfacing of Sherman avenue from Washington avenue to the ball grounds. The petition is being signed freely and the property owners seem anxious to have the work started and completed before the termination of the present summer.

The petition does not state the kind or grade of paving that is to be ordered by the council and many different views have been expressed by prominent men in North Bend relative to the kind of paving that should be used, as some are inclined to consider the bitulithic pavement too expensive for paving Sherman avenue.

"I think the price of \$1.90 per yard is out of all reason for bitulithic paving," said Fred Hollister today. "I am in favor of laying a six-inch concrete street and giving the contracts to local men, instead of sending it out of the country. The approximate cost of this paving would not be more than \$1.25 per yard, a saving of 65 cents per yard, and the satisfaction of doing the work here and having just as good if not a better roadway."

Secretary Smith of the North Bend Chamber of Commerce says that the property owners on Sherman avenue are entitled to the best pavement for the least money regardless of the company performing the work and thinks the price of \$1.90 excessive.

There is also some discussion regarding the acquiring of a plant similar to an asphalt plant and manufacturing the surfacing in North Bend. The cost of a plant of this kind, new, is \$30,000, but some believe that an old plant can be purchased and much money thus saved the citizens in the paving line.

### MEMORIAL DAY PROGRAM.

### Official Suggestions for Appropriate Observance of Day.

The following program for the fitting observance of Memorial Day was written especially for the official Memorial Day annual of the state of Wisconsin:

Pupils march from schoolhouse four abreast. At a distance of about twenty feet columns divide and march in double column to form a hollow square. At given signals pupils face in. A color bearer (from Grand Army of the Republic) steps into the center of the square.

Children together salute the flag, repeating the flag salute: We give our heads and our hearts to God and our Country. One country, one language and one flag. And peace forevermore. Then repeating together:

In memory of those brave men who left homes, parents, wives, children and for four long years endured all the sufferings of camp life and the horrors of the battlefield that we might enjoy a united country freed from the curse of slavery—to these brave men we today offer our prayers of Thanksgiving and our tribute of flowers.

Some song is then sung. The command is then given, and they "fall in" behind the Grand Army of the Republic and the Woman's Relief Corps. At the cemetery a squad is detailed to decorate each grave. This squad consists of four boys and four girls. The girls carry flowers and the boys flags. The boys stand at each corner of the grave, the girls at each side. They are given the command, "Decorate."

The boys place flags and the girls flowers. Then they unite in singing "Cover Them Over With Flowers." As it is not always possible to find children of the same size who are independent in their singing a quartet passes from one grave to another to lead the singing. The decorating by the children is done after the soldiers have done theirs, or, rather, the squad of soldiers are at the grave the same time as are the children and place their flowers first.

Miss Sarah Webb is ill at her home with measles.

A. Kinney is having an attack of measles.

The North Bend Library entertainment which was arranged for tomorrow has been postponed until June 12 owing to the illness of a number who were to have aided in the program. The postponement, after it had been so well advertised, is regretted, but it was decided it would be better to do than to omit any of the program.

Dr. Bartle reports that there is decrease in the number ill of measles, principally because nearly all of those likely to be afflicted have had it now, or are having it.

Dr. Burmester expects to leave in his auto about June 20 for a trip to Portland and other northern points. Mrs. Burmester and children are already at Albany and he will join them there.

The Ladies Aid of the M. E. church held their monthly social at the church parlors on Thursday afternoon, May 28, refreshments were served by the hostesses, Mrs. Frank Stevens, Mrs. Van Zile and Mrs. S. Rogstad.

# ANDERSON IS BEATEN AGAIN

### Former Coos Bay Pugilist Fails to Show Any Class in Bout with Barrieau.

The following dispatch from Vancouver, B. C., indicates that Bud Anderson, who fought several battles on Coos Bay, is decidedly a has-been:

"Outboxing and outfighting his opponent in 13 rounds and holding his own in two, Frank Barrieau, of Vancouver, decisively defeated Bud Anderson, of Vancouver, Wash., in a scheduled 15-round contest at the Stevenson arena tonight.

Anderson, by his defeat, is no longer a championship possibility, and, on his showing, it is doubtful whether he was ever taken seriously as a contender to the lightweight title while Barrieau impressed the crowd with his splendid work, although he, too, lacks the qualities of a title aspirant.

Anderson's right eye was closed and his lips puffed when he left the ring. Barrieau was not marked.

Bud Anderson said: "I fought the fight from start. We thought we had it won easily, but everybody said I had to knock him out to win. He never landed a hard punch any time. Everybody said I was a game loser and at least should have gotten a draw at the worst. My weight 141, his 144 at 8 o'clock."

## TWO GAMES NEXT SUNDAY

## 20 INNINGS IN COAST LEAGUE

### Marshfield and North Bend Teams Matched—Elks Have Game Scheduled.

The baseball game postponed from last Sunday will be played this coming Sunday weather permitting. Although Manager Chandler of the Marshfield team and Denny Hull, manager of the North Bend nine have not given out a line up of their respective teams they expect to have all the boys qualified for their positions by the time the game is called.

There has been a second team formed among the Elks known as a scrub team. The aggregation is said to be composed of first class material and ready to meet all comers. The "scrub team" will play the first team of the Elks next Sunday morning on the North Bend diamond. The game will be called at 10 o'clock sharp.

The first team line up will be about as follows: Catterlin, catcher; Freeman, pitcher; Stevenson, first; Gardner, second; Stockin, ss; William Chender, third; Carl Davis, right field; Jay Doyle, center field; W. J. Conrad, right field; Del Bengason, substitute. The line up of the second Elks team will not be announced.

Arrangements are still underway to get Coquille and Bandon into the proposed league. The promoters in the two towns are endeavoring to get a team lined up and it is hoped that they will be in position to announce their players soon.

### TO TRY LONG FLIGHT.

### Silas Christofferson to Fly From San Francisco to Seattle.

The following Seattle dispatch will be of interest here as Mr. Christofferson made the first aeroplane flight on Coos Bay a few years ago under the auspices of the Coos Bay Times:

955 miles by airship overland from San Francisco to Seattle is the flight proposed by Aviator Silas Christofferson, the well known Pacific Coast aviator, to start at San Francisco early in July.

Christofferson proposes to embark in his new 100 horsepower limousine flying yacht and to follow the coast line to Portland, thence detouring across the country with possible stops in Grays Harbor, Olympia and Tacoma.

The aviator is under contract with the officials of the Tillamook Potlatch to be held in Seattle July 5-18, for daily and nightly flights, and it is to reach Seattle to fill the contract that the marathon journey is proposed.
