PROMOTION FOR MONTGOMERY

Standard Oil Company Advances Local Manager to Eureka District

C. W. Montgomery, for the past few years manager of the Coos Bay District of the Standard Oil Company has been promoted to the Eureka Agency of the Company and will be succeeded here by C. W. Summers, special agent of the company at Santa Rosa. The change will be effective July 1.

The change will be a decided promotion for Mr. Montgomery as the Eureka branch embraces a larger district than the Coos Bay district does.

The news of Mr. Montgomery's transfer will be received with regret by the many friends that he and Mrs. Montgomery have made here. Mr. Montgomery has been an active member of the Marshfield Lodge of Elks, of St. Monica's Catholic congregation and has taken active part in the social as well as the commercial welfare of the community.

However, the fact that the change brings him a promotion will modify the regret felt here over his transfer.

AUTO PARADE WILL BE FINE

Expect Over 100 Machines to Contest For Prizes—Geo. Goodrum in Charge.

The automobile parade will be made one of the big features of the Fourth of July celebration in Marshfield and the committee has placed George Goodrum in charge of the event. He will have the assistance of the other motorists here and it will eclipse anything of the kind ever held in Oregon.

Three prizes will be awarded for the best decorated machines in the parade, \$50 to the best, \$30 to the second best and \$20 to the third best.

It is expected that over 100 machines will participate in the contest. Autos from Bandon, Coquille and Myrtle Point, as well as those from the Bay will be entered.

It is planned to make it an affair of art.

In addition to the prizes offered by the Fourth of July committee, Mr. Goodrum has offered as a special prize a set of the famous "shock absorber" springs for the best decorated Ford.

Celebrate in Marshfield

A good parade is always popular. The pleasure is real, inspiring, genuine. There is satisfaction in mere numbers to say nothing of the efforts at display. The two parades—the automobile on the 3rd and the civic parade on the 4th will be features of Marshfield's celebration this year. Of the civic parade, more will be said later, but the automobile parade will be a "hummer."

Few sections of the country own more automobiles to the square inch than Coos Bay, and they are going to be out and in style. When the fact is stated that three prizes of \$50, \$40 and \$20 will be offered for the best decorated machines, that Goodrum's Goodrum is in charge of this feature of the celebration, and that the moving picture men is to be on hand to get some real advertising material out of the event, there's enough said. The automobile parade will be something to be remembered.
