You swing on "joy makin's!"

Get it into your mind pretty quick that Prince Albert is just as bully delicious rolled up into a cigarette as jammed into a jimmy pipe—and that means going some, too.

Just to change your luck, switch for a spell from the *dust*-brands and *fire*-brands and know first hand what a real and true jimmy pipe or makin's cigarette can taste like when you get the brand of tobacco that men everywhere pin their faith to—

PRINCE ALBERT

the national joy smoke

It's all out of fashion to suffer with a stung tongue or a parched throat. Because Prince Albert is scot-free from that sort of thing.

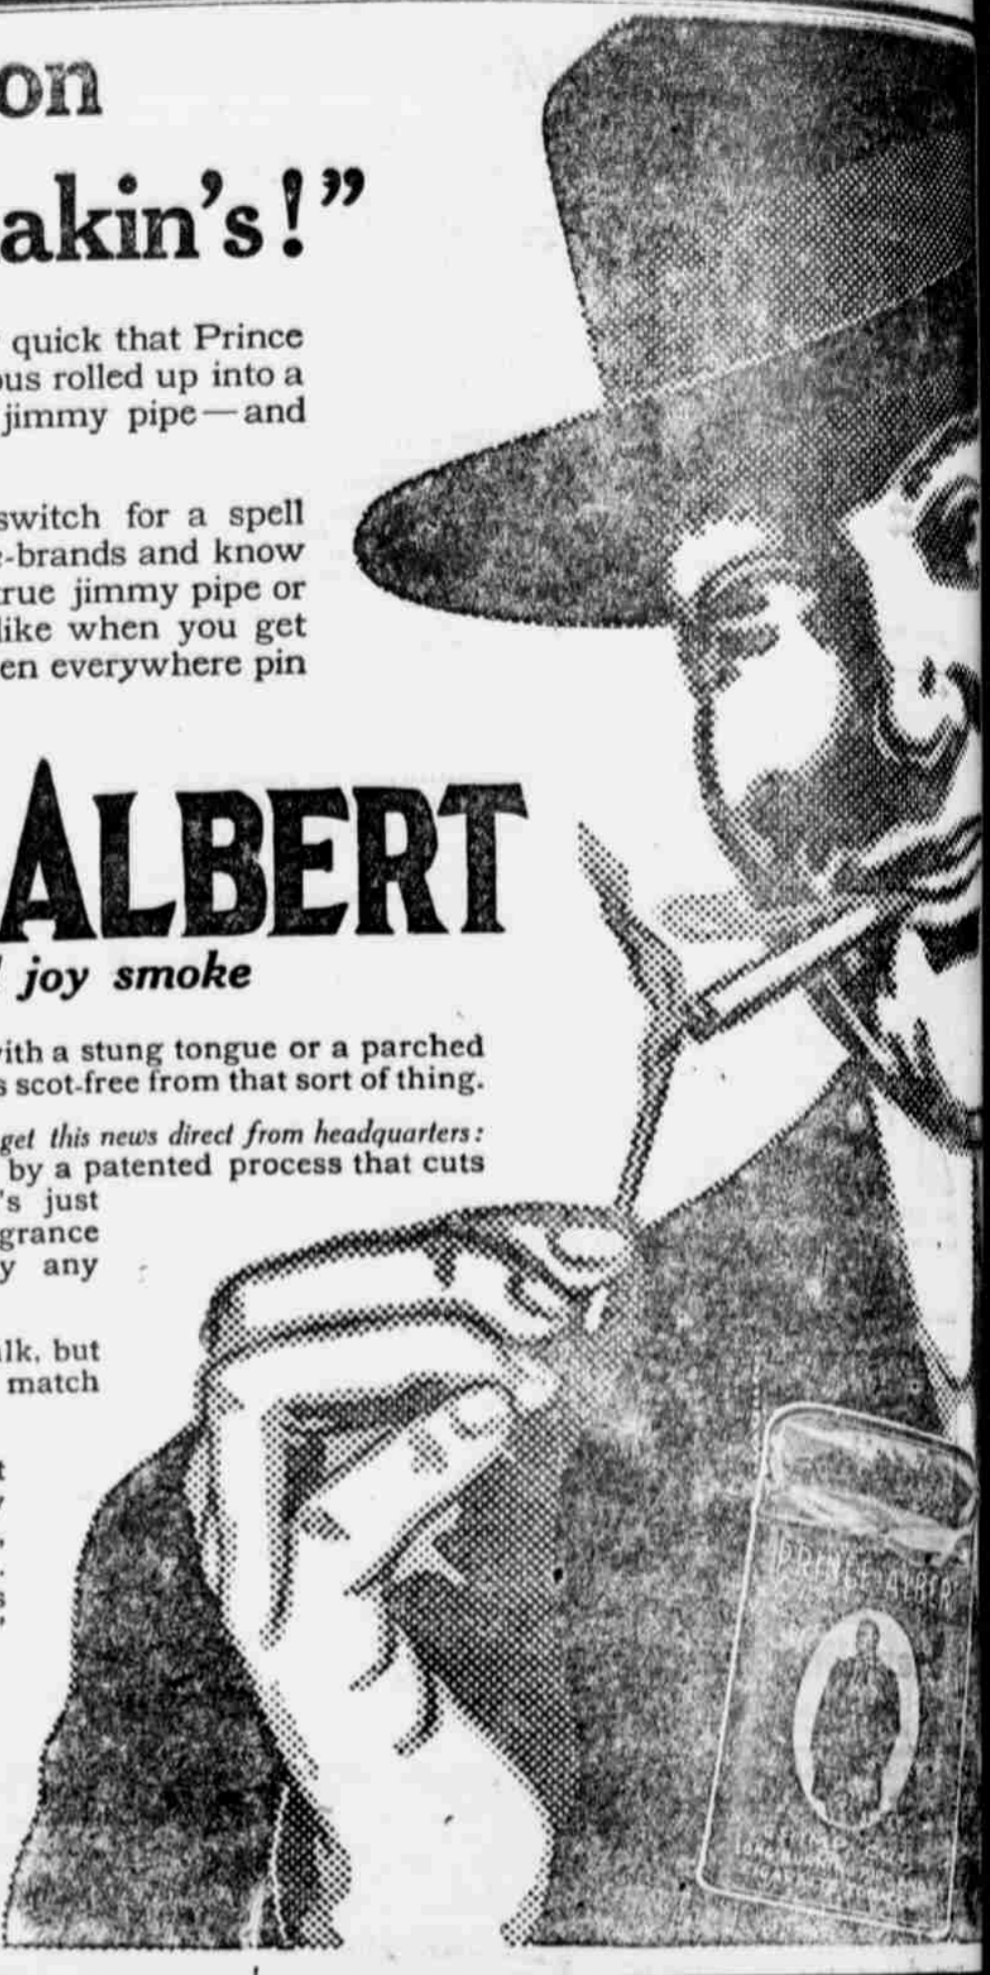

If you didn't know it before, get this news direct from headquarters: Prince Albert tobacco is made by a patented process that cuts out the bite and the parch. It's just *all-good*, with a flavor and a fragrance and freshness unequalled by any other brand at any price!

Men, that's some talk some talk, but it's right and it's up to you to match a dime against our say-so.

Just lay a bet right here that P. A. will give you absolutely what you've hunted for years, either in a pipe or a cigarette. And that goes! Right now's the time, too, while the "listen" is in your system.

Buy P. A. everywhere; in tippy red bags, 5c; in tidy red tins, 10c; also in handsome pound and half pound humidor jars.
