THE DOER AND THE "KNOCKER."

THE MAN whom "knockers" hammer usually is achieving somewhat. If a man isn't "hammered," he generally is accomplishing nothing. Failure is jealous of success. The greater the success, the louder the anvil chorus of "knocking."

Big Show Coming—Harry Walters, advance man for "The Globe Trotters of 1915," a big musical comedy company now at Eureka, has arrived on the Bay and is arranging for them to open at the Masonic June 27. Mr. Walters expects to have the company spend a couple of weeks in this section and says the show is the best that has ever visited here.

MAKES GOOD GRADES.

James F. Kronenberg graduated last week from South Denver High School, at Denver, Colorado, with 82 A's to his credit. The highest possible marking in the regular course gives a pupil 60 A's, but Kronenberg took many additional studies and obtained the additional marks. He will enter the University of Colorado next September as a Freshman and after taking an A. B. degree will take a course in law.

This item from a Denver paper is of interest because Mr. Kronenberg's parents grew up in Coquille, and his two grandmothers, Mrs. C. E. Kronenberg and Mrs. E. M. Lyons, still reside here.—Coquille Sentinel.

SOME GLOBE TROTTER.

Frank Burkholder was here from Coquille the fore part of the week. He was accompanied by an old friend, J. A. Kline of Portland, who is here on a visit, and to study conditions in Coos county. Mr. Kline says he is a regular tramp or globe trotter. While he has made Portland his home he has in the last few years been at various times in the Philippines, China, Mexico, Central America and Alaska. He was immigration agent at one of the northern ports of the Philippine Islands for a time.—Myrtle Point Enterprise.

NEW DANCES ARE GIVEN TESTS

"Tatao" and "Twinkle" May Become Popular in East.
CLEVELAND, O., June 19.—The "Tatao" and the "twinkle" the latest in dances, were demonstrated before the convention of the National Association of Masters of Dancing. The "Tatao," the Chinese dance, with varying arrangements of short steps and entirely devoid of gliding movements, it is predicted, will be the most popular dance of the season. The "twinkle" is a waltz and was shown with new and modified forms of the tango, and hesitation waltz that demand an absolutely upright carriage with an absence of dips and twistings. Other new steps are the "contra tempo" waltz, the six step and the kiss waltz, by Willard E. Chambers, of Omaha, Neb.

CULLINGS OF COQUILLE

Coos County Seat News As Told by The Sentinel.
The Graham place of eighty acres, a mile and a half up the river, is reported to have been sold to a Mr. Mulvahill from California at a price somewhere around \$200 an acre. Ben Gaunt was released from jail here last week, after serving a thirty days' sentence, and paid his fine. He was convicted of selling liquor to minors and selling without a license. Will G. Barrow, who graduated from our city schools a year ago, and has just completed his freshman year in the Valparaiso, Indiana, University, came home Tuesday. His lowest grade at the examination there was 90 and his highest 98, with an average of 95.

AMONG THE SICK.

Mrs. Effie Farringer, who has been quite ill is reported improving. Bill McArthur, son of Mr. and Mrs. E. D. McArthur, is quite ill of stomach trouble.

Wireless Inspecting Here.—O. B. Moorehead, of San Francisco, United States Wireless Inspector, came in on the Breakwater yesterday. He is here to make an inspection of the wireless station and make some minor repairs to the wireless apparatus on board the Breakwater on her return trip. Moorehead inspected the wireless station at Astoria and will inspect the station at Eureka before returning to San Francisco.

WITTY DRANK TOO HEAVILY

North Bend Man Arraigned for Insanity Sent to Hospital—Spent All for Liquor

Mickey Witty, or that was what he said his name was, was found to be only crazy drunk when arraigned here yesterday for insanity. He was picked up by Marshal Anderson at North Bend and brought before Judge Hall. Dr. Straw examined him and after a few minutes, Dr. Straw said that the patient would probably be all right in a couple of days if he was kept away from liquor. Dr. Straw suggested that he be sent to the County Hospital at Coquille and said that was all he needed and Witty said that he thought that was right. Witty said that he had been on a big drunk at Grays Harbor just before coming to North Bend a few weeks ago. He said he had been drinking pretty hard since coming here. He said he only had ten cents left. Dr. Straw wanted to know why he didn't buy clothes, as he was in a badly bedraggled condition, but Witty said he spent all his money for booze.

SET PRICE FOR SALMON.

At the last regular meeting of Siuslaw Local No. 17, United Fishermen of the Pacific, it was decided to place the price of fish for the fall season at four cents per pound for chinooks and two cents per pound for silverides.—Florence West.

AFTER BANDON CAFES.
At the meeting of the Bandon Council Wednesday night an ordinance was passed with the emergency clause attached, defining restaurants, and prohibiting boxes, booths, stalls, private rooms, alcoves and other rooms or separate apartments in connection therewith; and section 2 of the ordinance particularly provides that it shall be unlawful to maintain any of the above named in connection with the restaurants after June 15, 1914.—Bandon Recorder.

HOW TO CUT BUTTER EVENLY.
An Oregon contributor tells, as follows, how to cut butter evenly. "In cutting dice of butter for individual use, take a wet thread, which cuts them easily and does not leave ragged edges. Cold mush which you wish to fry may be cut in the same way."
