THE photograph shows Miss Mary Elizabeth Payne, the vocalist of Missouri, raising the flag over the dome of the Palace of Manufactures, 160 feet from the ground. In the foreground is the ten acre area, with solid concrete walls, of the central Court of the Universe, which, when completed, will be the most beautiful plaza in the world.

Celebrate the Fourth At Marshfield

The entire business section of the city will be turned into a playground for her guests. Front street and Central street will be reserved for visitors and pedestrians almost exclusively. This year \$500 more has been allowed for a still more liberal display. With flags and bunting, and evergreen, the city will have a gala appearance surpassing anything ever attempted. Electric lighting. On the night of the Fourth a grand display of fireworks will be set off across the bay from the city. The display of fireworks so displayed is most satisfactory. They are at the best advantage. The "across-the-water" effect adds to the pleasure derived from them.
