DUST PREACHER AT WOLF CREEK

Rev. W. G. Smith Departed for Alleged Slandering Remarks About People

ROSEBURG, Or., June 22.—"There goes Rev. Smith, the slanderer," "Isn't he a fine specimen of humanity?" and other equally as sensational remarks attracted the attention of a hundred or more passengers as northbound passenger train No. 14 pulled into Wolf Creek. Passengers who heard the jeering remarks of the crowd that thronged the depot platform hastened to vestibules and windows, where they beheld a half hundred men and women surrounding Rev. W. G. Smith, said to be a Methodist minister of that vicinity. In their hands the women carried horse whips, while the men were well laden with rotten eggs.

As the train stopped, the jeering of the crowd became louder and louder and it was soon realized that something out of the ordinary was in progress. Smith, who was apparently in a semi-frightened condition; stood seemingly helpless, while the crowd joined in acclaiming his absence welcome. As the jeering continued with increased vehemence, a spokesman stepped from the crowd and ordered Smith to board the train and never return to that community. He obeyed the command, never once turning to face his pursuers. His clothes were torn and showed evidence of egg stains.

Once aboard the train the departed minister occupied a seat near the rear of the day coach and refused to be interviewed. When the train reached Glendale he alighted, following an assurance to those who sat near him that he would immediately proceed to prosecute those responsible for the "outrage. Inasmuch as Wolf Creek is situated in Josephine county about two miles south of the Douglas county line, any action he may institute will have to be filed in the former county.

Persons purporting to have information regarding Smith's deportation from Wolf Creek, claim he was accused by citizens there of slandering women of the vicinity. It is also alleged that he was responsible for a number of real estate transactions which the people of Wolf Creek claimed savored of crookedness.

NEGRO SOUGHT BY OFFICERS

CARL WEST TOLD COLORED FOLKS HE WAS SPECIAL DETECTIVE AND THEN HORRIBLY MRS. HICKERSON.

Carl Smith, a negro who a few years ago got into a gun scrape with Mrs. Trellinger, a negro here, is being sought today by Constable Cox and the other officers. He is charged with stealing about \$10 from two banks at the home of Mrs. Betty Hickerson, with whom he boarded and also taking a \$25 diamond pin belonging to her. He then insisted that she give him \$75 more to go East.

He told her and some of the other negroes here that he had been employed as vice detective by District Attorney Liljeqvist and Rev. Bassford, but this is evidently a yarn. He is said to have been drinking freely.

Smith was a "shiner" at a barber shop here for a time and later engaged in the sale of bananas.

Smith carried loaded revolvers and yesterday would not permit officers to enter his room without first reading a warrant to him.

He was said to be hiding in South Marshfield this afternoon.

COOS BAY WINS FROM COQUILLE

Over 500 Fans See the Best Game of the Season — Score 5 to 0.

Over five hundred fans turned out yesterday to see the Coos Bay team defeat the delegation from Coquille by a score of 5 to 0. It was generally conceded that the game was the best of the season.

It seemed as though luck was against the Coquille team, for three times they were on the point of scoring, when the third man was called out. While they did not score throughout the game the boys from the Valley proved that they are ball players. Nor did they lack the support of rooters, for there were plenty of them in the grand stand.

Peter Sater, short-stop for the Coos Bay team brought in the first score in the third inning. Kiasam, first-baseman, brought in the second in the fourth inning. Chandler, center-field, scored in the sixth, and Kiasam and McDonald brought in two more in the eighth, making five in all. The local team made three double plays, one in the second, one in the seventh and one in the eighth.

Chandler struck out in the sixth inning, but made a run to first when Catcher McDonald dropped the ball. The ball struck him in the back before he reached first and he held his base. Kiasam was the next man up and he made a two-base hit which brought Chandler in. Osborne and Thomas were the battery for Coos Bay. Clinton and McDonald for Coquille. All four did excellent work and they had good support both in the infield and outfield. While there were a number of errors made on both sides, feature plays predominated.

There was but one change in positions during the game and that was made in the sixth inning when Earls, playing right field for Coquille, was replaced by Walters. Eachus was not removed on account of errors, but to give Walters a chance to show the fans what he could do.

During a practice just before the game was called, Peter Sater, short-stop for the local team, was struck in the eye by a ball coming from one direction while he had his eyes on another. Although his eye was discolored and in pain, he played the game to the finish through sheer pluck.

An admission of 25 cents was charged and the gate receipts totalled \$125.75. Forty dollars went to pay the traveling expenses of the Coquille delegation and each of the players on both sides received \$2.50.

It is probable that the Coos Bay team will play Myrtle Point next Sunday at Myrtle Point, or there may be a game at Coquille.

Following is the lineup of yesterday's game:

Table with 2 columns: Name, Position. Coos Bay: Sater (Shortstop), Briggs (Third Base), Woods (Right Field), McDonald (Center Field), Chandler (Left Field). Coquille: Osborne (Pitcher), Kiasam (First Base), Barke (Second Base), Sater (Shortstop), Briggs (Third Base), Woods (Right Field), McDonald (Center Field), Chandler (Left Field).

11 Eldorado Block, Marshfield, Oregon, within six months from the date hereof, with proper vouchers duly verified as by law required.

Celebrate the Fourth At Marshfield The entire business section of the city will be turned into a playground for her guests. Front street and Central avenue will be reserved for visitors and pedestrians almost exclusively. The city already owns a liberal amount of decorative material, but this year \$500 more has been allowed for a still more liberal supply. With flags and bunting, and evergreen, the city will present a gala appearance surpassing anything ever attempted. For the evenings lights and artistic effects will be secured by special electric lighting. On the night of the Fourth a grand display of fireworks will be set off across the bay from the city. The effect of fireworks so displayed is most satisfactory. They are then seen at the best advantage. The "across-the-water" effect adds greatly to the pleasure derived from them.
