

MAIL SERVICE CHANGE PLAN

Government Asks for Bids for Thrice a Week Service Over Old Coos Bay Road

Postmaster Curtis is in a quandary as to whether an effort will be made to have Coos Bay given mail service via the new railroad to Florence after November 1 or to have it all brought in via the Myrtle Point route. He has just received notice that sealed proposals have been called for in a letter from the Postoffice Department for carrying the mails from Nov. 1st, 1914, to June 30, 1918, on the following described route:

From Marshfield, Oregon, by Sumner and McKinley to Sitkum, Oregon, thirty-four miles and back, three times a week.
Leave Marshfield Monday, Wednesday and Friday at 7:00 a. m.
Arrive at Sitkum by 6:00 p. m.
Leave Sitkum Tuesday, Thursday and Saturday at 7:00 a. m.
Arrive at Marshfield by 6:00 p. m.
Bond required with bid, \$3000.
Proposals to be in the Department by July 28, 1914.

This proposed route is now part of the route now served by Contractor Barnard of Roseburg, Oregon.
Whether it means a change in the present service of the Contractor over this route after November 1st is not known at this office, but as Sitkum is the last office on the route this side of the mountains, it seems probable that some change in our present service for next winter is contemplated.

CASE FROM FLORENCE

Thomas Russell Convicted of Assault at Eugene.

EUGENE, Or., June 22.—Thomas Russell, accused of the crime of assault with intent to kill, was found guilty by a jury in the Circuit Court of crime of assault with a deadly weapon, with a recommendation to court for mercy. Russell and M. W. England, who are neighbors on the lower Sluslaw River, became engaged in a quarrel on May 2 over the use of a trail on England's ranch, which was formerly a homestead held by Russell. Russell accused England of stealing some fence and England struck him with his fist, whereupon Russell drew a long hunting knife and stabbed England in the side. The man's life was despaired of for a time, but he was able to be present at the trial.

PLAN FOR RAILROAD.

Legal Steps for Roseburg Bond Issue Are Taken.

The Roseburg Review says: Attorney B. L. Eddy expects to begin work in a few days on the legal documents necessary in calling a special election to authorize bonds in the sum of \$300,000 for the construction of a railroad from Roseburg to the coast. There is considerable work connected with an undertaking of this nature and it may be several weeks before the legal papers are in such shape as to allow the election to proceed. Attorney Eddy is being assisted somewhat by Attorney Robert G. Smith of Grants Pass. Attorney Smith has had much experience in the legal departments of railroads and is conversant with the necessary procedure in calling a special election to issue bonds for railroad construction.

COST OF MEAT TO STATE INCREASED IN SIX MONTHS

SALEM, Or., June 22.—Comparison of the bids received by the State Board of Control for supplies for the next six months for the state institutions, with those accepted six months ago, show that beef has increased 20 cents a hundred pounds. This increase is attributed to the general shortage throughout the country. Hard wheat flour is ten cents a barrel cheaper than it was six months ago, while soft wheat flour is five cents cheaper. While the flour is cheaper, bran and shorts have increased from \$1.50 to \$1.75 a ton. Thread is cheaper than it has been for years. Prior to this the price has ranged from 49 to 51 cents a dozen. The lowest bid made for the supply for the next six months was 45 cents.

SALTS FINE FOR ACHING KIDNEYS

We Eat Too Much Meat Which Clogs Kidneys Then Back Hurts and Bladder Bothers You.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so that it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; and makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Convenience and Safeguard

If you have ever stumbled on the dark basement steps, you can realize what a convenience it is to have an Electric Light Switch at the head of the stairs.

When planning your new home or the remodeling of your present home, don't forget the switch on the basement stairs, or the switch to light the second floor lights from the first floor.

Remember to include closet lights, porch lights, baseboard sockets for the flat irons and other appliances.

It's simpler and less expensive to plan these things before the actual work is started.
