Newly-Weds Arrive.—J. W. Hildebrand received a telegram yesterday from the newlyweds, Mr. and Mrs. H. J. Bultman, announcing their arrival in San Francisco after a fine trip.

Machine Damaged.—AUG. R. Lindner, machinist of the Mergenthaler Company, was here today en route home from Bandon where he made some repairs to the Bandon Recorder's machine, which was slightly damaged in the recent fire.

Buys Lots.—Robert Marsden, Sr., has purchased two lots at Bunker Hill from Mrs. Fannie O'Donnell and plans to erect a house there, utilizing the lumber from the old water tower which he recently removed from the city park.

Fix Later Date.—Owing to the inability to get in touch with some

of the non-resident parties interested in the Kinney affairs, it now appears as though it will be about August 1 before Receiver Watterson will get the matter threshed out in the courts so that he can proceed with the sale of the property.

Wants Divorce.—Sheriff Gage was here from Coquille yesterday to serve notice of a divorce suit on J. T. Archambeau, who is now residing in First Addition. They recently sold the Home Hotel on South Fourth street and Mrs. Archambeau went to Portland.

Much Sick'n's.—P. Cimino came in from Ten Mile this morning, walking all the way to the Coos Bay boat landing, as he missed the stage. He came for medicine for his little girl who is feared to be fatally ill of whooping cough. All of his children had the measles and are now ill of the whooping cough. He says practically every household in the Ten Mile country is afflicted. Owing to the heavy rains, the auto stage has not been running lately.

Ballasting Done.—The work trains on the Coos Bay-Myrtle Point line have been taken off and it is said that the ballasting has been completed for the time being. Next week it is expected that the work trains will be started ballasting the Willamette Pacific line from here through North Bend. One report was that the supply of gravel of the Smith-Powers company was getting low and as they have lots of their own line to ballast yet.

Drunk Is Fined.—For the second time this week Thomas Fox, has been arrested for being on the streets in a drunken condition. He was arrested by Officers Shoupe and Smith last Sunday night and by Marshal Carter last night. No cash was found on his person on either occasion. Fox was brought before Recorder Butler this morning and the customary fine of \$5 was again assessed. Fox will have to settle the account when he is less financially embarrassed.

Welcomed Back.—Maurice Chick, who won many friends on the Bay during the last visit of his troupe here, arrived yesterday from Eureka and was warmly welcomed by many. He has postponed opening in Marshfield until July 3 as he needed some new people for the company to put on the plays he had selected for the stand here. "The Globe Trotters of 1915" will make their first appearance at Myrtle Point next Tuesday and will play Wednesday and Thursday at Coquille.
