

# 188,250 VOTES ADDED TO LIST

Tremendous Gain by All Candidates—Miss Eriksen in Lead With 146,850

A tremendous gain in votes has been noted since the count in the Goddess of Liberty contest was made yesterday. In all 188,250 have been turned in during the last twenty-four hours. Miss Eriksen, the Elks candidate, gained 100,750. Miss Gladys Roddy, the telephone exchange candidate, gained 44,000. Miss Gertrude Scalfie, the Moose candidate, gained 42,000 and Miss Bessie Flanagan, the Eagle's candidate, gained 11,000.

According to the official count made by the committee in charge of the contest, the candidates stand as follows:

Emma Eriksen, Elks ..... 144,850  
Gladys Roddy, tel. ex ..... 82,650  
Gertrude Scalfie, Moose ..... 81,300  
Bessie Flanagan, Eagles ..... 56,350  
Elma MacDonald, salesmen ..... 29,000

Even the committee which has charge of the contest, was startled when the count was made today. Not since the contest began has such a gain of votes been made from one count to another. Perhaps the little announcement yesterday to the effect that the Moose planned to put their candidate at the head of the list caused the commotion.

That there will be another big surprise when the votes are counted for the last time at 9 o'clock tomorrow night is almost certain. Some of the societies are determined not to be outdone and individuals are planning to dig deep into their pockets rather than see their candidate lose.

The committee in charge of the contest requests the presence of a representative from each candidate at the Chamber of Commerce at 9 o'clock tomorrow night, when the final count will be made. Unless there is a representative from each candidate there will be no count.

The result will be posted on bulletins in the drug stores and announced in The Times Monday.

# MORE PRIZES FOR AUTOS

Goodrum Makes Provision for Comic Section in the Fourth of July Parade.

Goodroads Goodrum announced today that provisions had just been made for additional prizes for a comic section in the auto parade, which will be held on the morning of the first day of the celebration.

This feature is to provide fun for the crowds and enliven the parade with the variety that is the spice of life and Fourth of July celebrations.

A prize of \$5.00 will be given for the most comical vehicle of any kind from a wheel barrow to a donkey engine that will be shown in the parade. There are no restrictions or regulations and nothing is barred. It may be a wheelbarrow, a bicycle, a cart, a buggy or wagon, or an auto of the model of 1776.

A second prize of \$3.00 will be awarded for the second funniest vehicle.

A third prize of \$2.00 will be given for the most comical vehicle of any kind from a wheel barrow to a donkey engine that will be shown in the parade.

These features are to provide fun for the crowds and enliven the parade with the variety that is the spice of life and Fourth of July celebrations.

Bring out your old vehicles and fix them up as prize winners in the comic section.

Any additional information may be secured by calling up Goodroads Goodrum's Garage.

# FINE BALL.

The Elks Ball at the Simpson Pavilion in North Bend last evening was a most enjoyable affair.

There was an unusually large attendance. The decorations were unusually attractive.

Bring out your old vehicles and fix them up as prize winners in the comic section.

Any additional information may be secured by calling up Goodroads Goodrum's Garage.

# MOTORCYCLE IS BADLY BURNED

Machine Owned by Ben Davis Caught Fire Last Night—Damage About \$15

A motorcycle owned by Ben Davis was damaged to the extent of \$15 when it caught fire in front of the Gunnery on Front street about 8:30 o'clock last night. The fire was extinguished by Davis, who beat the flames with an old coat. The fire department was called and the chemical apparatus was brought into play.

The fire started when Davis poured some gasoline in the tank of the motorcycle while the headlight was burning. In an instant the tank was ablaze and it was with difficulty that the fire was extinguished. Water had little effect on the burning oil. An alarm was sent to the fire department and the boys, who an hour before were engaged in their weekly practice, responded quickly.

The burning machine attracted a crowd of two or three hundred people and considerable excitement prevailed for a while. Some thought the fire was in the Grand or Orpheum Theater at first.

# YELLOWSTONE IN LAST NIGHT

Now at North Bend Where She Is Loading Lumber for San Francisco

The steamer Yellowstone arrived at the Arrow Line dock about 10:30 o'clock last night after an uneventful trip from Portland. She had a big cargo, including a consignment of dynamite for the Coos Bay Powder Company, two Fords for George Goodrum and some machinery, which was unloaded at the railroad dock this morning.

The Yellowstone is now at North Bend, where she is loading 700,000 feet of lumber, 2000 cans of condensed milk and other miscellaneous freight. She will sail for San Francisco this evening. The Yellowstone carries no passengers.

The Paraiso is due tomorrow morning from San Francisco with a big cargo of miscellaneous freight and several passengers. She will sail for Portland at 5 o'clock tomorrow evening.

given the funniest clown, costume and cleverness of action both to be considered in awarding this prize.

These features of the auto parade are to take the place of the old time calthumpians on the Fourth of July.

Clowns may be masked or unmasked.

Bring out your old vehicles and fix them up as prize winners in the comic section.

Any additional information may be secured by calling up Goodroads Goodrum's Garage.
