Celebrate the Fourth At Marshfield
 The entire business section of the city will be turned into a grand for her guests. Front street and Central avenue will be served for visitors and pedestrians almost exclusively. The city owns a liberal amount of decorative material, but over \$500 more has been allowed for a still more liberal supply with flags and bunting, and evergreen, the city will present an appearance surpassing anything ever attempted. For the lights and artistic effects will be secured by special lighting. On the night of the Fourth a grand display of fireworks will be set off across the bay from the city. The effect works as displayed is most satisfactory. They are then seen best advantage. The "across-the-water" effect adds greatly pleasure derived from them.

SOCIETY NOTES

GIVE LUNCH
 A delightful little informal chafing dish supper was enjoyed Wednesday night at the home of Mr. and Mrs. Warren Phillips in North Bend. The guests going to dine were Mr. and Mrs. W. E. Best of Bandon, Mr. and Mrs. Don Gardner, Mr. and Mrs. R. A. Werlich and Mr. and Mrs. C. M. Byler.

HONOR VISITOR
 Mrs. H. H. McPherson, a former well known resident of the Bay, but now making her home in San Francisco, who is on the Bay for a short visit, was the inspiration for a charming afternoon at cards at the home of Mrs. Henry Sengstacken Thursday. The Sengstacken home was beautifully decorated for the occasion and at the conclusion of the afternoon's play refreshments were served. Miss Genevieve Sengstacken assisted the hostess. Those present were Mrs. McPherson, Mrs. J. S. Coke, Mrs. W. T. Merchant, Mrs. Ward M. Blake, Mrs. J. H. Flanagan, Mrs. Claude Naburg, Mrs. Doble, Mrs. J. H. Flanagan, Mrs. W. S. Turpen, Mrs. J. W. Bennett, Mrs. Arnold, Mrs. R. M. Jennings and Mrs. F. M. Parsons.

SILVER TEA
 The Methodist Ladies' Aid will give a Silver Tea on Wednesday afternoon at their hall.

ANNUL PLANS
 Owing to so much illness the Marshfield Christian Church ladies have decided not to serve dinners on July 3 and 4.

PLAN PICNIC
 The Alice H. left the dock at 10:15 this morning for the Sunday school picnic of the Episcopal church.

FIX WAGE FOR PHONE GIRLS

Nine Dollars Recommended to Industrial Welfare Commission

(By Associated Press to Coos Bay Times.)
OLYMPIA, Wash., June 30.—Nine dollars was recommended today to the Industrial Welfare Commission by the telephone and telegraph wage conference as a minimum wage for girls employed in this industry. The vote was six to three on this figure, bringing to a close the most remarkable conference yet held in the state. The negative votes were those of the employers. Three girls representing the employees had stood all day yesterday and last night with the employers for a lower minimum wage, but this morning joined the representatives of a disinterested public advocating higher figures.

DELAY NEW BANKS

Reserve System Can't Start Before September 1.
WASHINGTON, D. C., June 30.—Although August 1 is the date which treasury department officials originally set as the probable time for the organization of the Federal Reserve Banks, it now seems probable that the organization will not be earlier than September 1. The Senate's delay in the confirmation of members of the federal reserve board and delay in the choice of directors for the federal reserve banks will defeat the plan to open August 1.

WOLF CREEK CASE

Three Bound Over to Grand Jury for Deposing Preacher.
GRANTS PASS, June 30.—E. N. Story, H. C. Fletcher and T. M. Lamont, the trio from Wolf Creek arrested on a charge of having been leaders in the demonstration against Rev. W. G. Smith, when the latter was "egged," were bound over to the grand jury by Justice Holman after hearing the evidence of the numerous witnesses summoned to testify. Bonds were fixed at \$200 each, which were supplied by the defendants. It is expected that the grand jury will make a thorough investigation.
