

## LUMBER PRICE IS GOING UP

Advance of Fifty Cents Reported at Seattle—Shingles Also Advance

SEATTLE, Wash., July 1.—With orders and inquiries piling up, lumber has advanced fifty cents a thousand within the past week and shingles are up to \$1.50 for shingles, with offers of \$1.52, an advance of ten cents a thousand within two weeks. Some of the rail lines are taxed for cars in which to haul the lumber and shingles that are now moving, and the business is enjoying a brisk movement that it has not known in months.

Should the movement increase with the harvesting of the crops, leading wholesalers and manufacturers declare that the railroads will be unable to furnish sufficient rolling stock to meet the requirements.

Following out the tradition in the lumber trade, when lumber advances there is an eagerness to buy. Country yards in the east for the past four years have been postponing the day for "stocking up," the hope arising within the past 90 days that the Panama Canal would give them the water rate. Inquiries and orders from all over the middle west are pouring in. Wholesalers are assured of a profitable business on the present market level.

All along the lumber line the outlook is one of optimism, backed by many orders, more inquiries and a consequent cheerfulness for the immediate future that the trade has not known since 1912.

## BE PRETTY TURN GRAY HAIR DARK

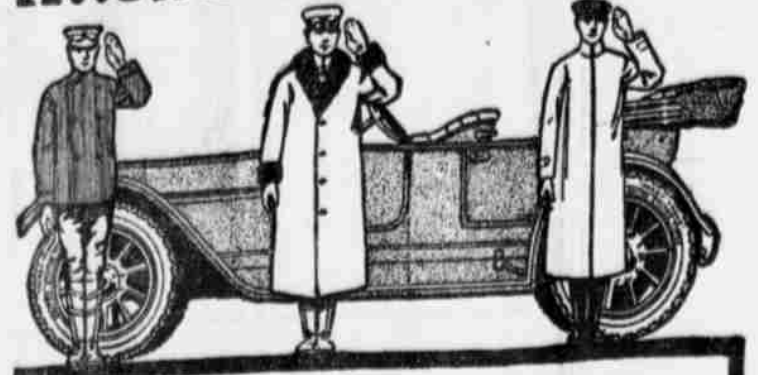

LOOK YOUNG! NOBODY CAN TELL IF YOU USE GRANDMOTHER'S SIMPLE REMEDY OF SAGE AND SULPHUR.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, straggled or gray; also cures dandruff, itching scalp and stops falling hair. You see the only way to get this rare and valuable medicine is to get it at home, which is easier and troublesome. Now, by making at any drug store for "Walter's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay away! Try it! No one can possibly tell that you dyed your hair, as it does it so naturally and evenly. You wash a sponge or soft brush with it and drag this through your hair, taking one small strand at a time, by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.
