

The Fourth

ON this day in 1776 our freedom was really born; from that day on it was a long, bitter fight, but right won out. In the last decade men have been gaining a new freedom--it's in clothes. They no longer have to suffer the excessive made-to-measure charges nor the time-wasting, delay and uncertainty.

You men can now get just what you want when you want it in ready clothes.

Hart Schaffner & Marx

They have been the big factor in this victory. Men everywhere have come to know that no matter what their size or what their taste, they can get something they'll like in these good clothes at a very moderate price and at a moment's notice.

If you're one of the men who are not in on this victory, you'd better come in today.

All clothing purchased in this store will be kept pressed free of charge.
