THREE MASKED BANDITS HOLD UP TRAIN EAST OF PENDLETON

Robber Killed, Another Wounded and Deputy Sheriff Injured

GUN BATTLE FUGHT IN CHAIR CAR

Deputy Sheriff Duffee of Heppner Wounded — Posse Hot on Trail

(By Associated Press to Coos Bay Times.)
PENDLETON, Or., July 2.—One robber was killed and another desperado and Deputy Sheriff McDuffee, of Heppner, Oregon, were wounded during a gun battle that occurred in a chair car on the Oregon-Washington Railroad & Navigation Company passenger train No. 5, westbound, early today when three masked bandits held up the train two miles east of Meacham, fifty miles east of Pendleton, and robbed the passengers and express car.

The wounded robber and a companion escaped into the wild mountainous country and two posesses are in pursuit. One is led by Deputy Sheriff Esteban and Blakely, of this city, and another has started out from LaGrande.

Deputy Sheriff Hero. Two of the robbers entered Deputy Sheriff George McDuffee's car while the third had the train crew prisoners in the express car. McDuffee immediately opened fire and while the passengers crouched behind the seats he waged a single-handed battle until one robber fell dead and the other wounded, fled back to his companion.

McDuffee was wounded above the heart, but papers and pencils in his pocket broke the force of the bullet and he is not fatally injured. Poses have left for the scene from Pendleton, LaGrande and Pilot Rock.

After boarding and stopping the train the three bandits broke open the express car and opened the safe, but obtained only about \$200. While one guarded the train crew the other two proceeded to rob the passengers. About a third of the men aboard lost part of their valuables. The heaviest loser was H. B. Boyce of Walla Walla, who lost a \$700 diamond ring and some small change.

The women were not molested. A gold watch found on the dead bandit had inscribed in it the name "Hugh Whitney, 5-1-11." Whitney is a noted desperado and wanted a long list of depredations in Montana, Idaho and Wyoming.

NO ARRESTS IN FREEPORT CASE

Police Unable to Solve Mysterious Shooting in Physician's Office.

(By Associated Press to Coos Bay Times.)
FREEPORT, N. Y., July 2.—In searching for a motive for the murder of Mrs. Louise Bailey in the office of Dr. Edwin Carman, the police today are working on two theories. One is that a lunatic killed Mrs. Bailey when shooting at the physician. The other is that a woman fired the shot. Carman has served upon many lunacy commissions and the police believe some insane person may have sought revenge for being sent to the asylum. Upon what they based the theory that a woman committed the murder the police refused to state, but declared that they expected to make an arrest, probably today.

SHERIFF GAGE PAYS HOBBO \$25 FOR CAPTURING VAUGHN

Coos County Prisoner Who Escaped at Drain, Captured Near Oakland After Tramp Had "Peached" on Him.

(By Associated Press to Coos Bay Times.)
ROSEBURG, Or., July 2.—Frank Vaughn, who escaped from Sheriff Gage, at Drain, late Tuesday night, was arrested near Oakland this morning by Deputy Sheriff D. N. Hogge and Marshal Kruse. The first information that Vaughn was making his way south was received at Oakland about 6 o'clock this morning when a hobo arrived there and asked if there was any reward for the fugitive's capture. When told that there was he asked

the officers to accompany him to the spot where Vaughn was hiding. As the officers neared the spot of hiding Vaughn jumped to his feet and after running a short distance jumped into a stream. Deputy Sheriff Hogge then pulled his revolver and fired. The bullet missed Vaughn's head less than two inches. The fugitive threw his hands in the air and surrendered. In the meantime Sheriff Gage and Sheriff Quine, of Roseburg, were notified and returned to Oakland as the prisoner was being brought there. Sheriff Gage left for Salem with his prisoner today. When captured, Vaughn was dressed in greasy overalls and a blue shirt which he had probably stolen from a section house. Sheriff Gage gave the hobo \$25.

PRESIDENT WILSON WILL CONFER WITH CAPTAINS OF INDUSTRY

HUERTA READY TO TALK PEACE

Delegates at Niagara Falls Address Note to Mediators For Rebels

(By Associated Press to Coos Bay Times.)
NIAGARA FALLS, July 2.—Communication between the two warring factions in Mexico, which it is hoped eventually will lead to conferences for the establishment of peace, was begun today when the delegates representing Huerta formally addressed to the three mediators a note to be transmitted to the Constitutional representatives in Washington. In this the Huerta delegates expressed a willingness to discuss measures of peace with the Constitutionalists and bring an end to the civil strife. The disposition of the American forces now at Vera Cruz has been left for consideration until such time as the two factions agree on a new provisional government. While the protocols already signed cover many phases of the international situation, it is generally recognized that until the provisional government is agreed upon and the date set for the recognition of the new government the American troops will not be withdrawn and the internal question not definitely settled.

(By Associated Press to Coos Bay Times.)
NIAGARA FALLS, July 2.—Plans for an indefinite recess in the mediation proceedings was somewhat disturbed yesterday by a suggestion of the United States Government that such a move might be interpreted as a disruption of proceedings. Justice Lamar conveyed the view of the Government to Ambassador De Gama and Minister Naon, after which both diplomats cancelled reservation for last night and said they would not depart until today.

The Washington administration believes the departure of the mediators might fail to influence the Constitutionalists to hurry their delegates to the proposed informal conference with the Huerta commission. Immediately after the conference with Lamar, the mediators talked with Emilliano Rabasa, head of the Huerta delegation. It is understood that he, too, is unwilling that the mediators should recess without some definite understanding as to the future.

Next week President Wilson will confer with Henry Ford, the automobile manufacturer. Neither Morgan nor the President disclosed what they said.

President Wilson later told inquirers that in his talk with Morgan, business generally was discussed and that Morgan expressed no opinion as to whether business was good or bad. He added that he had known Morgan a long time and the talk was largely reminiscent. The President said that the attitude of business men seemed to be growing in favor of the Administration's trust program.
