In Washington Today to Confer With President—Rebels Still Firm

WASHINGTON, D. C., July 3.—The American delegates to the Niagara Falls Mexican mediation conference, Justice Lamar and Frederick W. Lehmann, returned here today and conferred with President Wilson and Secretary Bryan.

Ignacio Calderon, one of the Constitutional leaders, who is expected to represent Carranza if he sends delegates, said he did not believe that the camps of the Constitutional chief would authorize the sending of delegates to treat with Huerta unless they went to discuss terms of surrender.

While the Niagara Falls conference is in recess, awaiting Carranza's canvass of his generals under the plan of Guadalupe, as to sending delegates to treat with Huerta, the American delegates will remain in Washington. The three South American mediators will return here.

John R. Silliman, formerly Vice-Consul at Saltillo, went to Washington for Mexico as President Wilson's envoy to attempt to induce the Constitutionalists to mediate with Huerta and bring about harmony between Carranza and Villa.

USE BLOODHOUNDS.

LA GRANDE, Or., July 3.—That the bloodhounds from Walla Walla this morning struck fresh trails and were leading their guides northward from Meacham was the word brought in from the scene of yesterday's train holdup.

PENDLETON, Or., July 3.—The posses in the Blue Mountains continued the search for the two or possibly three robbers who escaped yesterday after holding up the Oregon-Washington Railroad and Navigation Company's train No. 5 near Meacham, Oregon.

The body of the highwayman who was killed in the battle in the chair car was positively identified today as Hugh Whitney, the notorious desperado on whose head there had been set a price of \$50,000.

Although it is thought possible that the robbers may have escaped in the brown automobile seen in the vicinity of the holdup, the general opinion was that the bandits struck directly into the mountain fastness, either on foot or on horses.

Deputy Sheriff Geo. McDuffee, who killed Whitney and wounded another of the robbers, was reported out of danger from the wound he received.
