

The Home of  
**Hart Schaffner  
& Marx  
Clothes**

You sometimes say of a man  
"he has some style about  
him;" you're really referring to his  
clothes.

"That 'look' is due to the design;  
and it's a marked feature of the  
clothes Hart Schaffner & Marx  
make; their designing staff is a  
group of specialists, each an artist in  
his line.

You'll see right away what  
we mean by that "look"—  
you'll have it the minute you  
put these good clothes on  
\$18 to \$40.

Clothes purchased at this store will  
be kept pressed free of charge

## LOCAL BREVITIES

**JULY TIDES**  
Below is given the time and  
height of high and low water at  
Marshfield.

The tides are placed in the order  
of occurrence, with their times on  
the first line and heights on the  
second line of each day; a compar-  
ison of consecutive heights will in-  
dicate whether it is high or low  
water. For high water on the bar  
subtract two hours 34 minutes.

**Sunday School Picnic.**—The chil-  
dren of the Sunday School of St. Luke's  
Episcopal Church, Empire, will hold  
their annual picnic tomorrow.

**To Sunset Bay.**—Otto Schetter and  
family will leave tomorrow to estab-  
lish a summer camp at Sunset Bay.  
Dr. Toye and family are also planning  
to spend the summer months there.

**Funeral Sunday.**—The funeral of  
E. O. Hall, of Sumner, will be held  
Sunday at 10:30 from the Wilson  
chapel, the Rev. Joseph Knotts of-  
ficiating.

**Train Delayed.**—Today's train  
from Coquille was about two hours  
late owing to engine trouble. An  
engine had to be sent out from  
here to bring the train in.

**GEO. DIELMANN,** of the New  
Business Department of H. M.  
Eyllesby & Company, arrived here  
today to spend a few weeks on  
the Bay assisting Manager Jen-  
nings here.

**Sells Stock.**—John Ferguson, re-  
ceiver of the Coos Bay Wiring Com-  
pany, has sold most of the stock to  
the Marshfield Electrical Company  
and will soon close out the balance  
of the stock.

**Will Move.**—The dredge Seattle  
will move to the lower bay tomor-  
row or next day and start the work  
there so that the shoals can be  
removed during the summer, storms  
being less likely to delay or inter-  
fere with the work.

**Resigns Presidency.**—Judge J. S.  
Coke has resigned as president of the  
Millcooma Association, owing to his  
time being taken up with his duties  
on the bench. A meeting of the  
club has been called for Thursday,  
July 16 to elect his successor.

**At Baptist Church.**—The Union  
services next Sunday night will be  
held at the Baptist church and M. C.  
Reed, the Oregon "dry" campaign  
manager, will hold the prohibition  
rally there instead of at the Metho-  
dist church as was first announced.

**Sells Cow.**—Wm. Grow, a rancher  
at Coaledo, had a cow he wished to  
sell and decided to try The Times  
want ads. Here is what he wrote:  
"Your advertisement did the trick.  
I sold the cow this morning to W.  
Erickson of Bunker Hill."

**On Eastern Trip.**—Marshfield  
friends have received cards from  
Miss Winifred Watson and Miss Land-  
rith, two Marshfield teachers, who  
have been making an extended eastern  
trip, saying that they were enjoying  
the beauties of Niagara Falls. They  
will proceed to near Owatonna, Minn.,  
where they will visit Miss Watson's  
relatives until late in August.

**Fined for Drinking.**—Frank Mc-  
Knight, arrested at 1:45 p. m. yester-  
day by Officer Richardson; J. W.  
Hollister, a piano tuner, arrested last  
night by Marshal Carter, and Andrew  
Newman, also arrested last night by  
Marshal Carter, were fined \$5 when  
brought before Recorder Butler this  
morning on a charge of being on the

streets in a drunken condition. All  
pleaded guilty.  
**Auto Trip Writeup.**—The July  
number of the Ford Times, published  
by the Ford Auto Company, contains  
an illustrated writeup of the race  
driven between North Bend and Ban-  
don last spring by Capt. Edgar Simp-  
son. Most of the story is a reprint  
from The Coos Bay Times article of  
that date.

**Blasting Scares.**—Moon & Bar-  
clay have been blasting stumps out  
of Ninth street between Central and  
Commercial and this afternoon got  
in too heavy a blast, scaring some  
of the residents considerably. Some  
windows were broken and dirt  
thrown over the nearby houses.

**Brother Ill.**—Geo. Black, of North  
Bend, will leave on the Speedwell  
for California in response to a tele-  
gram from Mrs. Jno. Black, an-  
nouncing the serious illness with  
typhoid fever, of her husband. Mr.  
Black is a son of Mr. and Mrs.  
Henry Black, of Marshfield.

**Mother Dead.**—Marshal Carter  
yesterday received a telegram ask-  
ing him to notify S. G. Eggers that  
his mother had died at Grants Pass.  
Eggers is supposed to be Grant  
Eggers, a former Marshfield barber,  
who left here some time ago and  
is now supposed to be in Califor-  
nia.

**Rescued Girl.**—Warner Ogren  
while coming down Commercial ave-  
nue was attracted by a young wo-  
man who had started to walk across  
the fill near R. A. Copple's house  
and went through the soft fill. She  
was mired down and he had to carry  
out a number of boards for her to  
get out. He did not learn her  
name.

**Form Society.**—Editor Young of  
the Coquille Valley Sentinel is said  
to be forming a Kansas Society in  
former residents of the Sunflower  
State. C. I. Reigard proposes that  
the former Iowans in Coos county  
also organize an Iowa society. It is  
said that there are a large number  
from both states, probably being on-  
ly exceeded by Minnesota people.

**Catholic Picnic.**—The congregation  
of St. Monica's Catholic church of  
Marshfield and their friends will hold  
their annual picnic at Charleston  
next Sunday. The launches Alert and  
Ranger will leave Marshfield at 9  
o'clock Sunday morning with the  
picnickers. Rev. Father Munro has  
arranged two low masses, one at 7  
and one at 8, to accommodate the  
congregation. A big dinner and the  
usual picnic pleasures will be enjoyed.

**Thinks It Fishing Gear.**—Tom  
James says that the parties reporting  
that they saw a whale hoisting a  
whale aboard off Coos Bay the other  
day must have seen the fishing  
schooner which recently came here  
from San Francisco to try out the  
halibut banks off the coast. The  
schooner carries a large amount of  
fishing gear which it handles with  
machinery and in the distance this  
might have been confused with a  
whale.

**Life Line Praised.**—The July issue  
of the Pacific Motorboat contains a  
page story, illustrated, of the "Life  
Line," Rev. G. LeRoy Hall's colportage  
boat. The article, which is very  
praiseworthy of Rev. Hall and his  
work, was written by George H.  
Hutchings and is a good advertise-  
ment for the Coos Bay section. Mr.  
Hutchings says that when Rev. Hall  
first proposed the plan, friends told  
him that it would be impossible for  
any man to operate a gas engine and  
retain a place in the ministry, but  
he says that Rev. Hall has held  
down the two jobs for over two years.

**Camp to Start.**—The McDonald &  
Vaughn Camp at Daniels Creek will  
start Monday after having been closed  
for the Fourth. Wm. Vaughan  
is expected home Sunday from his  
auto trip to McMinnville, but it is  
not expected that Jack McDonald  
will return from Tacoma until later.

**To Take Big Photograph.**—F. W.  
Sheelor, local photographer, is plan-  
ning to take a panorama picture of  
Marshfield and North Bend. He has  
erected a platform in a tree at Coos-  
ton and will take the photograph  
from that point. The picture will be  
12 feet long and 25 inches wide. It  
will take in everything from the  
Smith mill to a point above Kentuck  
Inlet. Sheelor will probably take  
the picture Sunday morning at high  
tide. Copies of the photograph can  
be had only by applying to the Marsh-  
field or the North Bend Chamber of  
Commerce. Sheelor recently took a  
panorama picture of Coquille from a  
point 280 feet above the town. The  
picture measures 5 by 12 feet.

**Recovers Pin.**—Cal Bridges, who  
left yesterday for Portland, succeed-  
ed in recovering a valuable stickpin  
which had been stolen from him the  
night before. It seemed he threw  
his tie over a chair in the hall of  
the Roland rooming house, the for-  
mer J. H. Milner apartments, and  
went to take a bath. When he re-  
turned the tie and pin were gone.  
Mr. and Mrs. Roland assisted him in  
figuring out the disappearance and  
an officer was called and the suspect  
soon dug up the pin. No charges  
were filed.
