

# ASK YOUR DOCTOR!

**I**N LINE with our aim to be known as **YOUR DRUG STORE**—to have your confidence—we have stocked our Prescription Department with the Products of Edward R. Squibb & Son, who have been Manufacturing Chemists to the Medical Profession since 1858.

In that year Dr. R. S. Satterlee, Chief of the Medical Department of the United States, induced Dr. Edward R. Squibb to establish a laboratory to supply such products as might be required. Personal experience had shown him how impure and unreliable were the medical supplies then available.

The efforts of Dr. Edward R. Squibb have done more to serve American Pharmacy than those of perhaps any other man. "If Dr. Squibb had done nothing more than give to the world the blessing that came from his investigating exactness with chloroform and ether, and acetonite and ergot, and salicylic acid, this alone would have been a monument that his family might ever regard with pride and his friends with admiration."

An awakening of physicians generally to a keener appreciation of the necessity of purity and reliability in medicinal products has marked the past few years. Even the law has intervened to bring about honesty in the traffic of chemicals and drugs and other preparations,

for medicinal use. Thus the demand for Squibb Quality has steadily grown.

Going over a few products familiar to all, we find—

**CARBOLIC ACID, SQUIBB**  
—is made under the direct supervision of Mr. Robert Graesser, a man who for more than 40 years has devoted himself to a special study of this single product and its manufacture in its purest state.

**EPSOM SALTS, SQUIBB**  
—should not be confused with the regular Epsom Salts usually sold. The Squibb Salts have the dirt and heavy metals removed by the Squibb's process of repurification. See it in our window.

**CASTOR OIL, SQUIBB**  
—has practically no taste, never grows rancid, and can be readily taken by children. Ask your doctor about the purity of this oil.

**SUGAR OF MILK, SQUIBB**  
—for your baby. Of excellent purity and especially adapted for use in milk modification, as milk sugar readily absorbs odor and in consequence becomes contaminated, Squibb supplies it only in TINS, and not in pasteboard boxes.

These are but a few of the Squibb's Products, the line embracing both chemicals and pharmaceuticals, 60 per cent of them being above the requirements of the

U. S. P., which is the guide to American Pharmacy. Squibb's chemicals and drugs are made in only one quality—the **PUREST** obtainable. Hence, the specification Squibb's is not open to various interpretations; it has a plain, positive meaning.

These are chemicals and drugs on which we are building our prescription business. They insure you and your doctor definite results. That's why we request you to **ask your doctor**—ask him about the Squibb's Products. He knows their reputation is part of the history of American Pharmacy and his early training has taught him that he never takes a chance when he specifies Squibb's chemicals on his prescriptions.

## Please Remember:-

—that no matter what doctor writes your prescription or what Drug Store's name is printed on the slip, that we can fill it and in so doing use Squibb's chemicals, which you can't afford to ignore in case of illness. **ASK YOUR DOCTOR.**

Perhaps you are now using Squibb's Talcum—if not, call in and obtain a sample of this purest of Talcums—**FREE.**

Precipitation since Sept. 1, 1913 . . . . . 66.54  
Precipitation same period last year . . . . . 64.81  
Wind: northwest; partly cloudy.

**Class Picnic**—Miss Alice Tickell's Sunday School class is planning a picnic Wednesday to Allegany. The Alice H. will leave the Market street dock at 8 a. m. sharp.

**Buy's Home**—Capt. E. George Smith, of the Rainbow, has bought some lots in Ferndale from Hugh Long and plans to build a home there. The deal was made through a Times want ad.

**Rushing Railroad**—W. C. Bradley, who returned yesterday from Florence, states that many additional workmen are being put on the work between Gardiner and Glenada and additional forces are being rushed in there. This stretch will be rushed from now on.

**Newlyweds Leave**—Lorenzo A. Cutlip, of Daniels Creek, and Miss Stella D. Jutstrom were married today at 11 o'clock at the home of Rev. G. LeRoy Hall, of the cruiser Life-Line. Only a few relatives and friends witnessed the ceremony. They left on the steamer Breakwater for Portland on a short honeymoon trip. After their return they will be at home to their many friends at their ranch on South Coos River.

**New Law Firm**—Announcement was made today that J. W. McInturff, who recently arrived on the Bay, had formed a law partnership with R. O. Graves, the new firm to be known as Graves & McInturff,

and will have offices in Suite 310, Coke building. Mr. McInturff comes highly recommended and is a graduate of Idaho University and Willamette University and for three years served as circulation manager of the Daily Capital Journal at Salem. He was recently married, his wife having been Miss Mabel Welborn, private secretary to the Secretary of State.

**Seasons Hurry Along**—"The manner in which one season runs into another was impressed upon me today," remarked Mrs. Henderson, of the Hub Dry Goods Store, "when we just received a large shipment of the new fall styles of ladies' suits and coats direct from New York City. It seems strange right at the height of the summer season to see these new next season styles representing the latest ideas of the Eastern fashion centers, but that there is a demand for these early showings was proven by the fact that we have had many calls already from ladies desiring a glimpse of the fall fashions and two suits were sold within an hour after the shipment was unpacked."

**PERSONAL MENTION**

A. H. OLSEN, of North Inlet, came in this morning on business.

CHARLES SPOONER, of Catching Inlet, came in this morning on business.

**FUNERAL HELD SUNDAY.**

**Large Number Unite in Final Tribute to E. O. Hall of Sumner.**

The funeral of E. O. Hall was held from the Wilson Undertaking parlors Sunday. A large number of friends were present. Rev. Knotts preached the sermon and Mrs. Howard Savage and Mrs. Iva Peralta assisted with the music. The floral offerings were many and beautiful. The Odd Fellows' lodge marched in a body to the cemetery and took charge of the services at the grave.

Ephraim Oliver Hall was born in Bradley, Penobscot Co., Maine, November 22, 1835, and died in Sumner, Oregon, July 8, 1914, aged 78 years, 7 months and 16 days. He came to Coos Bay some years ago and has made a host of friends. He was an Odd Fellow, honored and respected in his lodge. His loving wife, seven children and six grandchildren survive him. His children are O. J. Hall, G. H. Hall, N. B. Hall and C. H. Hall of California and R. D. Hall, Mrs. William Richards and Mrs. Walter Spade of Coos Bay.
