WILSON WILL NOT RECOGNIZE NEW PROVISIONAL PRESIDENT

They Approve One Duly Elected or Chosen According to Mediation Terms.

EXPECT REBELS WILL ENTER CAPITAL NOW

Question as to Whether They Will Accept Carranza as Temporary Head.

(By Associated Press to Coos Bay Times.) WASHINGTON, D. C., July 16.—President Wilson will not recognize provisional President Carranza nor other government in Mexico not up through a legal election or in accordance with the protocols signed at Niagara Falls. Despite the resignation of Huerta, Wilson will continue his "watchful waiting" policy until the Mexican situation is more clarified. The expectation of the administration is that a peaceful entry of the constitutionalists into Mexico City will be made. In case Carranza and his generals fully refuse to accept Carranza, pending the holding of an election, President Wilson believes that the other nations will not recognize any new government until the United States has indicated its attitude. For that reason he thinks the Constitutionalists will be careful in their procedure. President Wilson is understood to have no objection to Carranza except on the score that he derived his power from Huerta and is willing to accept him as being provisional president until the elections. White House officials are confident that the Constitutionalists will be temperate in their acts when they enter Mexico City.

(By Associated Press to Coos Bay Times.) WASHINGTON, D. C., July 16.—General Funston at Vera Cruz, in his dispatches, made no mention of Huerta's plans, but expressed the belief that there will be defections from Huerta's troops on guard along the railroad and that the deserters would come to Vera Cruz. It was explained at the War Department that the Federalists would be allowed to enter Vera Cruz without being arrested if they laid down their arms.

CARRANZA MAY CHANGE PLANS

(By Associated Press to Coos Bay Times.) MONTEREY, July 15, via Laredo.—When informed of Huerta's resignation tonight, General Carranza made no comment for publication, but a high Carranza official said he believed there would be no change in his plan to capture Mexico City. He qualified the statement by saying that this plan might be changed in the event of unconditional surrender.

GIVE WILSON GREAT CREDIT

England Glad of Huerta's Retirement But Fears New Mexican Problems.

(By Associated Press to Coos Bay Times.) LONDON, July 16.—General Huerta's resignation is regarded as a victory for President Wilson's policy and is welcomed by the British public and in official circles here as a possible solution of the Mexican problem. The Evening Standard says: "The Wilson administration won a diplomatic victory. President Wilson has been persistent and patient in his policy of non-recognition, but it is likely enough he will be met now by other obstacles just as hard to surmount as Huerta's obstinacy."

CARPENTIER MEETS SMITH

"Gunboat" Draws Big Crowd in London—Former Favorite French Champion.

(By Associated Press to Coos Bay Times.) LONDON, July 16.—There was a great influx of sportsmen from France and other countries today to see the twenty round fight between "Gunboat" Smith and George Carpentier tonight. Many who failed to book their seats in advance were doomed to disappointment, as seats were selling at a premium. The very poorest seats were quoted at \$15 to \$20, while no good seats were obtainable. Carpentier continued the favorite in the betting. Smith's backers are willing to accept even money, but the Frenchman's backers seemed willing to place money at any odds. Tremendous amounts were wagered.

GUNBOAT LOST TO FRENCHMAN

George Carpentier Won in 6th Round on Foul—Immense Crowd at the Fight.

(By Associated Press to Coos Bay Times.) LONDON, July 16.—George Carpentier won from "Gunboat" Smith in the sixth round on a foul. U. S. SENDS INSTRUCTIONS TO GENERAL CARRANZA AS TO SETTLEMENT OF CONFLICT

If Peaceful Overtures of Federalists Are Met, Constitutional Government Will Be Recognized; But if Ignored, Recognition Will Be Delayed Until a Legal Election Can Be Held.

(By Associated Press to Coos Bay Times.) WASHINGTON, July 16.—The United States today instructed John R. Silliman, American consul at Saltillo, to inform Carranza that if he arrives at peaceful agreement with the Carranza government for the transfer of power at Mexico City, recognition will be extended to the resultant administration, but should Carranza refuse to complete settlement of the internal conflict by diplomatic means and insist on forcible entry into Mexico City, recognition will be deferred until there is a legal election. American forces will not be withdrawn from Vera Cruz until the government is recognized.

VILLA VS. CARRANZA. This determination was reported by President Wilson and Secretary Bryan after the viewpoint of the South American mediators was laid before them. The only cloud on the horizon of peace in Mexico was the uncertainty about the attitude of Villa. Information from reliable sources was that he was concentrating his forces at Chihuahua so as to make vigorous demands on Carranza. It is reported that when the conference of generals is called at Mexico City after Carranza enters there, that the Villa adherents may attempt to substitute another first chief for Carranza.

Intimations that the nomination might be withdrawn from the Senate were vigorously denied by White House officials, who thought the administration supporters had increased in numbers overnight, but the opponents of confirmation expressed confidence that they could beat it. A letter endorsing Jone, signed by 22 large Chicago business concerns, was made public at the White House.

EX-PRESIDENT HUERTA LEFT MEXICO WITH 6 MILLION DOLLARS

CHANGE MADE WITHOUT FUSS

Huerta's Resignation Received Calmly by Populace—No Demonstrations.

(By Associated Press to Coos Bay Times.) MEXICO CITY, July 16.—The change in the Mexican government whereby General Victoriano Huerta turned over the provisional presidency to Francisco Carranza, was calmly received by the populace. Except for demonstrations made in honor of Carranza when he was leaving the Chamber of Deputies building after taking his oath, no outbursts of importance occurred. There were a few shouts in the streets, "Down with Huerta!" and "Viva Carranza!" but the police promptly stopped such demonstrations. Huerta, who remained in the capital some hours yesterday after his resignation, is in flight today, probably on his way to Puerto Mexico. Minister of War Blanquet and several others fled with Huerta. A significant incident in connection with yesterday's change was the announcement that a special committee left the capital last night for Celaya to arrange with the Constitutionalists for a peaceful entry into the capital.

SAYS DREDGES TO STOP WORK

Capt. Macgenn Wires That the Michie and Oregon Will Stop Next Saturday.

The Port of Coos Bay and others are today at a loss to understand a report wired from Portland that the dredges Michie and Oregon would close down Saturday night owing to a lack of funds.

Congressman Hawley wrote here in March that there was a balance of \$44,000 in the dredge Michie fund the last of February and stated that this, with the \$50,000 which the new river and harbor bill provided, was more than the U. S. engineers expected to be able to spend before March 4, 1915.

There was only \$10,000 in the dredge Oregon's Coos Bay fund.

The following is the telegram received by Secretary Sengstacken of the Port of Coos Bay from Captain Macgenn today: "Saw Major Morrow again today. It is absolutely impossible for him to get any money to keep Michie and Oregon in operation until river and harbor bill passes Congress. Therefore, he has issued orders to the captains of the Michie and Oregon to cease operations on Saturday night. Would it not be possible for the Port of Coos Bay to put up money enough to keep the vessels in operation, particularly the bar dredge, which cannot work in winter and which is doing excellent work at the present time?"

Big Lumbermen Here.—Tom Bordeaux, of Seattle, and Sam Mumby, of the Puget Sound country, two of the biggest lumbermen of the Northwest, are spending some time here and visiting their old friend, J. Mr. Bordeaux is the biggest timber owner in Washington except the Weyerhaeuser interests. Mr. Mumby is a big shingle mill operator.

Dictator's Own Officials Forced Resignation—Promised to Resign Monday.

MINISTER OF WAR THREATENED TO RESIGN

Huerta Indulged in Dissipation During Last Few Days of His Term.

(By Associated Press to Coos Bay Times.) VERA CRUZ, July 16.—It was Minister of War Blanquet who finally forced Huerta to retire from the dictatorship of Mexico, according to information received from the capital. Foreign Minister Carranza, who accepted the post with the understanding that Huerta step down in the former's favor, expected the resignation to be sent to Congress Monday. On Saturday, however, Huerta began drinking and drank steadily Sunday and Monday, frequenting his usual haunts. Monday night Carranza wrote him: "You promised to resign Monday. I believed you were a man of your word. If you don't resign immediately and leave the capital, I will." "My generals won't let me," was Huerta's reply. Then Carranza appealed to Blanquet. The latter had trouble in finding the President, who was still rambling from café to café, but Tuesday night located him as he was about to retire. Huerta was still obdurate, whereupon Blanquet tendered his own resignation. Huerta, furious, stormed and entreated alternately, but Blanquet was firm. Wednesday morning he renewed his threats and Huerta yielded at last.

It is reported that when Huerta left the capital he took \$6,000,000 in drafts on European banks.

Huerta Scores America.

Mexicans Hiss Anti-American.

Following the acceptance of the resignation, Carranza was appointed provisional president and he took the oath of office at a joint session of senators and deputies two hours later. Restaurant Closed.—Constable Cox this morning attached the "Greek restaurant" in North Bend, conducted for some time by Tom Morris and Gus Demos, on a claim instituted by Philip Anest, who says that the Greeks owe him about three months' back rent. This last attachment marks the conclusion of a series of squabbles between the plaintiff and the two defendants. Twice before the restaurant has been attached on claims presented by Anest, but the matter was settled for the time being. Hoy & Miller are the attorneys for the plaintiff.
