All Over Oregon

MEDFORD.—Although the forest fire danger is greatest now than for any time this year, there are no bad fires burning now. Practically all fires are now under control, according to a report of the officials of the Jackson County Fire Patrol Association.

SALEM.—The published report of the marriage of Miss Jennie R. Smith and Roy R. Brown turns out an error. The information from apparently reliable sources seems to have been framed up for a practical joke, and its publication was a regrettable mistake.—Capital Journal.

GRANTS PASS.—There are very few chinook salmon on the upper river now, and most of the boats of the commercial fishing fleet have discontinued fishing. Only three boats were out last night and their combined catch was 180 pounds.

RECOGNIZE VOICES AFTER 30 YEARS

J. C. Ansel, a former resident of Coos and Curry Counties, who in early days spent some time fishing and prospecting in this section, arrived yesterday. Mr. Ansel left these parts over thirty years ago and now makes his home at Portland. One of the first men he met yesterday was Uncle Jerry Haynes and they recognized each other by their voices. Mr. Ansel is in his eightieth year but when told that the Kokoy stage had been discontinued he said he believed he was still equal to walking to the old scenes in the mining camps on Johnson Creek and Sixes River.—Myrtle Point Enterprise.

Convenience and Safeguard

If you have ever stumbled on the dark basement steps, you can realize what a convenience it is to have an Electric Light Switch at the head of the stairs.

When planning your new home or the remodeling of your present home, don't forget the switch on the basement stairs, or the switch to light the second floor lights from the first floor.

Remember to include closet lights, porch lights, baseboard sockets for the flat irons and other appliances.

It's simpler and less expensive to plan these things before the actual work is started.

Don't be Held Up

Deposit your money with us, open a checking account, and you won't have to worry about holdup men. Not only will you guard against thieves getting your money, but you will be protected against losing it.
Another reason for carrying a bank account is that it will help you to save money—the temptation to spend or fritter it away will not be so great when you are not carrying a pocket full of loose change.
In paying your accounts by check, you have a double receipt and are conducting your affairs in a businesslike manner. Don't wait until you have \$100 to open an account—do it with \$1 or \$5 and do it today.
Drop in and let us explain it to you if you are not familiar with banking.
