**EUGENE BOY SCRE-READING.**  
Alex Martin III, son of Alex Martin, Jr., president of the Eugene Commercial Club, has learned the hazardous way of surf-riding on a plank in the wake of fast-going motorboat. In a letter from Marshfield, written to friends here, "Jerry" Martin declared that he has had no tumble into the water since his second trial and that he hugely enjoys the sport. Living this summer on Coos Bay, he spends many of the evenings in the waters of the Bay. A long plank is connected by ropes to the rear of the motorboat and getting the craft speedily under way the board rests on the surface, skill is required to make the hasty leap to the plank where the rider stands and receives all the thrills of a bucking broncho. "Jerry" Martin graduated from the University of Oregon this year and expects to go east this fall to continue his engineering studies.—Eugene Register.

Albany Man Unable to Visit Mother in Maine, Poses for Movies.  
ALBANY, Or., July 31.—Unable to make a trip across the continent to visit his aged mother, Captain L. A. Wood, of this city, sent her a motion picture of himself instead.  
Captain Wood's mother lives in Maine and he has not seen her for twenty years. He had hoped to go back this summer, but was unable to do so. He walked about alone in one picture and his son was with him in another. The films were developed and mailed to Captain Wood's mother.

**Convenience and Safeguard**  
If you have ever stumbled on the dark basement steps, you can realize what a convenience it is to have an Electric Light Switch at the head of the stairs.  
When planning your new home or the remodeling of your present home, don't forget the switch on the basement stairs, or the switch to light the second floor lights from the first floor.  
Remember to include closet lights, porch lights, baseboard sockets for the flat irons and other appliances.  
It's simpler and less expensive to plan these things before the actual work is started.

**BUILD NEW TRAIL.**  
Schofield River and Loon Lake Cut-Off is Planned.

The Eugene Register says: A crew of six men has been started at the work of building a trail in the Siuslaw national forest between the end of the road on Schofield River and Loon Lake by H. B. Rankin, supervisor, who has just returned from a trip to the reserve. The trail will be thirteen miles in length and extends southeasterly from the road at Schofield River, connecting this road with the wagon road between Scottsburg and Allegany. It will be a convenience to the forestry employes as well as the settlers and public in general. It will require several weeks to complete the work.  
Supervisor Rankin said yesterday that there are no fires to speak of in the Siuslaw forest, but one blaze was reported a few days ago from Camp Creek, eight miles from Scottsburg, outside the reserve. This fire burned over a considerable area, but the supervisor was unable to ascertain to what extent. This fire was handled by the Coos and Douglas fire patrol association, an organization similar to the Western Lane association, the guards and patrolmen being paid by the owners of the timber lands located in those districts.

**PLAN NEW COUNTY.**  
Petitions for Division of Lane County Are Being Circulated.  
EUGENE, Or., July 30.—Petitions asking for the creation of a new county out of the western end of Lane, are being circulated and, it is said, are receiving many signatures. The petitions will be filed in accordance with the 1913 law, which makes the creation of a new county a matter of local issue, to be voted upon in the territory affected alone.

**COLORADO GOVERNOR WRITES POEM FOR COL. ROOSEVELT**  
DENVER, July 31.—Governor Elias H. Ammons has written the following poem as his contribution to the literature on Roosevelt:  
**Teddy's River of Doubt.**  
He scoffs at the college professor;  
Declares that his strength's on the wane;  
Denounces the grape juice of Bryan;  
Insists that it's not even sane;  
He dreams all his friends back in office,  
And all his enemies out,  
As he dines on a morsel of monkey  
And salls up the River of Doubt.  
He revises the Ten Commandments,  
And brings them all quite up to date;  
Bewails the mistakes of old Moses,  
And sighs at poor Lincoln's slow gait;  
While Washington's blundering tactics  
Produce a most terrible pout,  
As he swallows a wee bit of monkey  
And salls up the River of Doubt.  
In dreams he's enraptured the people,  
And all of creation subdued;  
To the furthest side of this planet  
There's against him not even a feud;  
While the world's population will honor,  
And angels will bow round about,  
As he dines on a diet of monkey  
And salls up the River of Doubt.

If ever the colonel awakens  
From delight of his beautiful dream;  
If ever in strenuous fashion  
His pledges he tries to redeem,  
Perhaps he'll discover his error;  
And, surely, he'll not take the gout,  
If he sticks to a diet of monkey  
And salls up the River of Doubt.
