

GOOD CLOTHES CHEAP

Now that the time has come for our big season's clean-up sales, we want you to know that you can get good clothes cheap. There's quite a difference where you put the word "cheap" in that phrase.

They're not good cheap clothes; the "cheap" applies to the price, not the goods.

Hart Schaffner & Marx

are not in quality, cheap clothes; but they're good—the best clothes made. We're going to clear our decks for the fall stock, and we intend to make prices on these goods that will make them the lowest priced high-values you ever saw.

Any time you buy a suit or overcoat made by Hart, Schaffner & Marx you spend your money economically. At such a time as this, when prices are reduced, you get that much more value per dollar.

Here are the figures we shall make now on these suits:

Fined \$5.—Will Goodrum, who was arrested by Marshal Carter yesterday for speeding on Front street, paid a fine of \$5.

Recovered Cattle.—Yesterday Marshal Carter took up five head of cattle that had been bothering residents of South Marshfield. They were claimed by Mr. Oldland of Libby, who had to pay \$12.50 penalty.

Repair Fountain.—Workmen are today repairing the public fountain on Central avenue as the pipes had become clogged with dust. This fountain was donated to the city by the A. N. W. Club.

Starts Work.—J. F. Telander has started the construction of the brick front which F. G. Horton is putting in the new home of Allen & Lewis in the former Alliance warehouse. It is brick veneer work.

Daily Mail.—P. Cimino of Lakeside, who was here yesterday on business, states that beginning August 1, Lakeside will enjoy a daily mail service except Sundays. Mr. Cimino will receive \$1500 per year for carrying the mail between North Inlet and there.

Three Are Fined.—After evidence in the case of J. C. Rumpf and wife and H. P. Gurda, who were arrested for fighting in the Palace Restaurant, City Recorder Butler fined them \$5 apiece. Gurda surprised the officers by returning for the hearing, as they thought that he would forfeit the \$10 bail.

Settles Case.—The troubles between A. Wyman and Milton Lattin as a result of Wyman's auto hitting Lattin's rig last Sunday have been settled without the threatened complaint being filed in Justice Pennock's case. Wyman paid Lattin \$20 damages and Lattin dropped the charges.

Wed Last Night.—Archie Germond, a waiter at the Merchants' Cafe, and Wanda Volkner were married last evening by Judge Pennock at the O'Connell house on Market avenue. H. C. Wedell and Miss K. Wedell were the witnesses. The bride is the daughter of W. W. Ladd and about a year ago was employed at the Chandler cigar stand.

Longs for Coos Bay.—In a note to The Times, Miss Frances Franse, who has been spending part of her summer vacation in Oklahoma City, Oklahoma, writes: "Weather is very warm here, 109 degrees in the shade. I would gladly welcome a breath of Coos Bay air. I have enjoyed a very pleasant visit with Mr. and Mrs. Selb here and they wish to be remembered to all their Marshfield friends."

Dr. White Coming.—G. W. Stewart has received a letter from Dr. Calvin S. White of the State Board of Health stating that he will be here August 10 and will investigate conditions at the former Stewart ranch in Bangor. Dr. Lytle, state veterinarian, was asked to come to investigate charges by Stewart that some of the stock there was diseased, but did not come. Dr. Bartle has been investigating the matter.

Got Out Over Bar.—Yesterday Gordon Smith and L. E. Blivens went out over the bar in Dr. Walters' small gasoline launch. The bar was perfectly smooth and they did not even get dashed with spray. Mr. Blivens said that he never saw so many porpoise and sea lions in his life. There was a big run of salmon and they were constantly jumping out of the water. Mr. Blivens thinks that unless the sea lions are killed, the salmon will be slaughtered in greater numbers than ever before.

Prizes for Flowers.—Mrs. M. A. Sweetman announced today that prizes would be given for the best bouquets brought to the Rest Room in the O'Connell building August 3 and 4. The prizes will be for the best of each variety of flowers and only one prize for each kind; that is, \$1.50 will be paid for the best roses, \$1.50 for the best dahlias, \$1.50 for the best gladiolas, \$1.50 for the best sweet peas and \$1.50 for the best mixed bouquet. She requests that each party bring a vase or receptacle for the flowers.

Returns from Trip.—Rev. B. F. Benson returned today from an extended trip to North Dakota and Minnesota, where he visited friends and relatives. He says they have fine crops there, but that it has been unusually warm, even for that section. The intense heat made him rejoice when he reached here yesterday and he says that Coos Bayites do not realize how well they are located. His youngest daughter, Miss Julia, who has just completed a course as a professional nurse in a St. Paul hospital, returned with him and will engage in her profession here.

DON'T FORGET your MOOSE BUTTONS at F. W. BERTRAM'S, JEWELRY STORE.

Stole Beer.—Last evening some one stole two dozen bottles of beer which had been taken to a South Marshfield home for a "Dutch lunch" party.

Given Vacation.—The congregation of the Marshfield Baptist church last evening voted Rev. A. F. Bassford a month's leave for a well-earned vacation. He and Frank Black plan to go on a deer hunt.

Sell Restaurant.—Robert Wyman and wife have sold their restaurant at the South Slough bridge to James Wasson, uncle of James Wasson of Marshfield. Mr. and Mrs. Wyman are planning a trip to Mrs. Wyman's old home in Maine.

Hearing Today.—Mr. and Mrs. Louis Petromouk, formerly in the French Realty Company here, are on trial before Justice Pennock this afternoon on the charge of stealing and slaughtering a heifer calf belonging to C. A. Rodine of Allegany. John D. Goss is prosecuting the case and Graves & McInturff are defending.

Watch Stolen.—A. I. Lockman, a traveler, who left for Portland on the last Breakwater, informed B. E. Hampton of the Central Hotel that some one stole a fine gold watch from his pocket. Lockman left his vest hanging in the hallway and the watch was abstracted from his pocket. It was an open face gold watch with a deer engraving on the back of the case.

Saw Burglar.—Capt. Alex Hall last evening encountered the West Marshfield burglar. Capt. Hall resides at the home of his sister, Mrs. Ida Patterson, who is away on a vacation. About 10 o'clock he heard some one try the door and later the windows. Capt. Hall arose, got his rifle and finally found one cartridge. He opened the door and drew up the gun and a stranger started away as hard as he could run. Capt. Hall didn't shoot. He thinks it was a hobo who broke in the other night and took some food but did not molest the other stuff.
