

GOOD CLOTHES CHEAP

Now that the time has come for our big season's clean-up sales, we want you to know that you can get good clothes cheap. There's quite a difference where you put the word "cheap" in that phrase. They're not good cheap clothes; the "cheap" applies to the price, not the goods.

Hart Schaffner & Marx

are not in quality, cheap clothes; but they're good—the best clothes made. We're going to clear our decks for the fall stock, and we intend to make prices on these goods that will make them the lowest priced high-values you ever saw.

Any time you buy a suit or overcoat made by Hart, Schaffner & Marx you spend your money economically. At such a time as this, when prices are reduced, you get that much more value per dollar.

Here are the figures we shall make now on these suits:

The House of Big Features
Our big special feature, "MOTHER LOVE" in six reels. A supreme drama of heart interest in two chapters of three reels each, featuring Miss Marion Leonard.
The story is of a talented young girl violinist who marries a banker of the village, who is also a deacon in the church and of whom everyone is afraid. Her father falls dead at the wedding. A child is born after a year and the young wife leads a life of sorrow and abuse. When she rebels her husband drives her from his home. She goes to the city and makes a great name for herself as a musician. Thinking that her child is dead she hurries home, but is denied and news of her child and is shown a freshly made grave. Friends intercede for her and she regains her child alive and well. The picture ends with the wife denouncing the hypocrite before the church and the deacon fainting at the pulpit.
