

What You Can Afford to Pay

WHAT you can afford to pay for a suit or overcoat is not a question of dollars alone. It is largely one of value received. We know that you can easily afford to pay \$25 for one of our Hart, Schaffner & Marx suits or overcoats, because we know what is in them. We know that such high quality of materials is rarely found in suits or overcoats at that price. We know that no other garments at \$25 are so well tailored. We know that in no other clothes will you receive so much value for your money. That is why we say you can easily afford one of our \$25 suits or overcoats. And, after you have worn one, should you not feel thoroughly satisfied—bring it back and get your money.

Suits purchased at this store will be kept pressed free of charge

HUNTING SEASON IS NOW CLOSED

PROCLAMATION ISSUED BY GOVERNOR TO PREVENT SPREAD OF FOREST FIRES WHICH ARE NOW EASILY STARTED.

NO ARRESTS UNTIL NOTIFIED
Deputy Game Warden Thomas today received the official notice from State Game Warden Evans of Gov. West's proclamation closing the hunting season until September 1. The notice says to advise all hunters to cease shooting deer, but make no arrests until parties are notified.

Because of the danger of forest fires as a result of campfires carelessly left by hunters, Governor West has issued a proclamation closing the deer hunting season.

It became effective Monday. He issued the proclamation upon his return from Portland, where he received information regarding conditions. Hunters will be informed of it by fire wardens, and it is probable that most of them were reached before the order became effective.

State Forester Elliott, who has conferred with Governor West regarding the numerous fires, said that while he had not asked that the season be closed, he felt that it was a good thing. He said there had been several reports of forest fires having been started by careless hunters.

The season started August 1 and would have closed November 1 but for the proclamation of the executive.

Mr. West said open season would be declared any time before the regular closing time if there was a sufficient rainfall to obviate danger.
