TO GIVE BUT ONE CONCERT

The plans of the Coos Bay Concert Band have been materially altered for their forthcoming trip to northern points. The band was unable to complete arrangements for concerts at Willamette Valley towns with the exception of Corvallis. The band will leave Marshfield September 24 on the Geo. W. Elder and proceed to Corvallis, where they will give an evening concert. From there they will go to Salem and play the week's engagement at the Oregon State Fair. They will return via Portland from Salem immediately following the state fair.

Local Concert Planned.
 The committee appointed by the City Council which has in charge the tour of the Coos Bay Concert Band next month, has about completed arrangements for another concert to be given at the Masonic Opera House about the 15th of September. The program will be in charge of Miss Edna Louise Larson and Mrs. Perl Riley Ballinger, two of Marshfield's best known musicians and the program promises to be of the highest order. It will be furnished by local talent, assisted by the band. The program will be announced later.

CONVENTION IN MYRTLE POINT

Rev. and Mrs. Samuel Gregg returned Friday from Myrtle Point, where they had been as delegates to the County Missionary Convention of the Christian Churches of the county. They report a most excellent convention, with a good attendance from all the churches. Dr. J. C. Ghormley, a returned missionary, was present and gave two excellent addresses. Sec. C. F. Swander of Portland was also present, giving a review of the state work. Rev. Gregg was made Superintendent of Missions for Coos and Curry Counties.

Owing to the fact that State Secretary Swander of the Christian Churches can only be in Marshfield one Sunday he will speak to the members of the local Christian Church tomorrow night at the church on Central avenue. Dr. Ghormley will speak at the morning service.

Judge Sehlbrede was in attendance at the convention of the Christian Churches at Myrtle Point. He was re-elected as president of the association for the ensuing year. Mrs. H. E. Connor of North Bend was made secretary.

OTHER SIDE OF PROHIBITION

Hon. John A. Jeffrey delivered a lecture to a crowd of men and women last evening at the open air pavilion at Second and Market streets on "The Other Side of Prohibition." The speaker has an excellent voice and rendered an excellent discourse. He took the stand that prohibition meant the denial of personal liberties and dwelt upon that phase of the liquor question. He recited facts concerning the failure of prohibition in Maine and Kansas.

Mr. Jeffrey is the Democratic candidate for Attorney General. He was introduced last evening by Hugh McLain.

TO RESIDE IN CALIFORNIA

R. E. Shine, one of the best known of the Coos Bay pioneers, and now living in Empire, will move with his family to Los Gatos, Calif., next week to make their future home. Mr. Shine was for many years in charge of the Southern Oregon properties, but has recently been dividing his time between Coquille and Empire.

He returned last evening from a prospecting trip to California and announced that he had purchased property in Los Gatos and with his family will leave for there next week to make their future home.

The best wishes of many Coos Bay friends will follow them.

Ladies' Suits

New York's Latest Styles

We have received this week our first shipment of Ladies' Suits. These were purchased by us direct from the maker less than three weeks ago. We do not buy our suits in April or May, from a travelling man, long before the styles for the season are even known, as most merchants do. We go where they are made and get the new things while they are new and at prices that are right. You can save 25 per cent by buying your Suit or Coat here. We will have the very latest things in Coats in a few days.

The Golden Rule

SAVING FOR OLD AGE

People who do not save while young are often in the way when they are old.

Seven out of ten of the large fortunes resulted from compound interest and the saving habit.

We offer you a compound interest investment and saving, combined. You may pay large or small sums, monthly, quarterly, annually, or you may pay faster, and mature your certificate sooner. All excess payments may be withdrawn after ninety days and interest will be credited.

All loans in Oregon are made on first mortgages, on income-bearing property, and the mortgages are held in trust by the STATE OF OREGON. For many years the earnings have been from 6 to 9 per cent.
