Of Course You Will PAINT

This summer if your house or building needs painting. No-
body can afford to neglect this matter in this climate and this
is the best season of the year in which to paint.
In reality painting costs nothing when the increased value
of the house and its protection are considered.
See us when you are ready to paint; it will be worth your
while.

TO BEAT THE BUILDING GAME

has been a hobby with us for a good many years and a lot of
our customers will tell you when it comes to getting good, sound,
durable framing material at the right price we know our busi-
ness. Just tell what you want to build and the amount you want
to spend and we'll get busy with our pencil and figure out the best
your money can buy. Try us.
