Edited Under the Auspices of the Women's Christian Temperance Union of Marshfield.

**VIRGINIA VOTED DRY!**  
The election returns from Virginia this week show that that state went dry by over 33,000 majority. This is but another straw on the stream of an enlightened public sentiment which indicates the way the temperance tidal wave is steadily sweeping the individual states of this country into the dry column of civic cleanliness, and is a further prophecy of what will happen in Oregon, Washington, California and other western states this fall.

The day of National Constitutional Prohibition of the manufacture and sale of alcoholic beverages in these United States draweth nigh.

Watchman, what of the night? The morning dawneth!
